## GIRLS IN TECH + NORTHWEST ARKANSAS

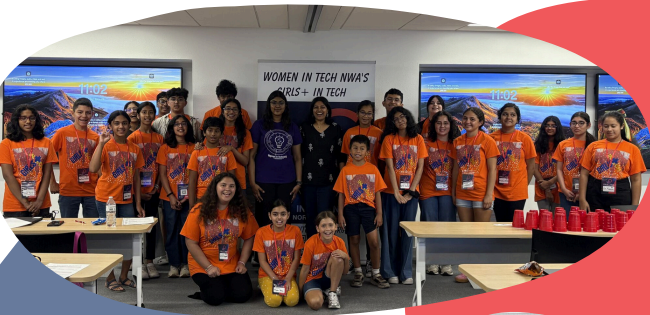

*Empowering the next  
generation of innovators  
creators, and  
changemakers*

## WHO WE ARE ● ● ●

Girls in Tech+ NWA is a community for both boys and girls ages 8-18 who are curious, bold, and ready to build the future through creativity, leadership, and technology!

Whether you love classroom learning, fun socials, or hands-on summer campus - we have something for everyone!

## WHAT WE DO

We help students gain hands-on experience in technology, creativity, and problem solving through fun and interactive events, such as:

- Monthly workshops
- Stem challenges & hackathons
- Pitch Competition
- Leadership & mentorship events
- College and career spotlights
- Summer Camp
- Certifications

## GET INVOLVED

Whether you're a student eager to learn, a professional excited to share your story, or you want to help by becoming a leader - there's a place for you at GIT+ NWA. Scan our QR codes below to sign-up!
