Leveling of the Oxbow:

Jerry Unruh read over the bid from S&S mowing. For \$250.00 they will level out all rough spots and remove the concrete that is in different places in the oxbow. For \$70.00 every 2 weeks during the mowing season they will mow with the brush hog. They will mow from the hedge row on the West side of the oxbow to the street on the East side. They will not mow the cat tails. All in attendance walked the oxbow while Jerry showed us what was discussed between S&S and himself.

Jerry will notify the Ponton mowing company that we no longer need their service.

The trees that are in the oxbow, Jerry Unruh will get a bid from S&S to remove them. Sumer will contact the Tillberg s to get their ok with removing the trees.

Ron Lange asked if we can put in decorative/egg shaped rocks or pavers out in the entry way to River Trail. Motion was made by Laurie that we see if we can change the entry way with decorative/egg shaped rock or pavers, Ron/Greg 2nd the motion, all were in favor.

Someone from the Board will contact the City to clarify if we can change the entry way design and who will need to mow Magnolia behind the houses.

Motion was made by Kevin to accept the S&S bid for the leveling and mowing, Sherry 2nd and all were in favor.

Laurie adjourned the meeting at 6:33
