This will help raise funds and awareness, create a sustainable funding model, and ensure safe and inviting public spaces for everyone to enjoy. ● What is your vision for elevating arts & culture in the 4th ward, more so in the Grand Boulevard area? - Collaborate with local businesses to display local artists and create opportunities for local artists to display their work by collaborating on art shows, competitions, and/or festivals.
<p>Block Club</p>	<ul style="list-style-type: none"> ● We hear talk about building your blocks, building block clubs and re-engaging in the sense of community. How will your administration support that and make sure it happens?

	<p>To build block clubs and re-engage community members, my administration will identify community leaders and develop a plan for outreach and engagement with them to give them the resources they need to build block clubs in their neighborhoods.</p>
<p>Community Safety</p>	<ul style="list-style-type: none">● Do you support re-allocating police funds to other efforts that address the root causes of crime in order to end community violence? If yes, which efforts would you re-allocate those funds to and why?● Yes, mental health workers. Redirecting police funding to mental health workers will result in more effective and compassionate responses to mental health crises, reducing harm to community members and improving public safety. Mental health workers are better equipped to address the root causes of mental health issues, such as poverty and homelessness than police officers are. If no, please explain your rationale.● How would you use the CPD District's Annual Strategic Plan to hold CPD accountable for utilizing the identified resources to address the noted problem areas discussed in the plan? How would you notify your constituents about your periodic reviews of this plan and the action steps you intend, if any, to take subsequent to each review?

- Reviewing the Annual Strategic Plan to identify the specific problem areas and resources that have been identified to address them.
- Identify Key Performance Indicators (KPIs): Identify KPIs that align with the problem areas and resources identified in the plan. These KPIs should be measurable and specific, such as the number of arrests made, the number of community outreach events held, or the number of officers trained in crisis intervention.
- Set benchmarks: Set benchmarks for each KPI to track progress and evaluate the effectiveness of CPD's efforts. These benchmarks should be achievable and set at regular intervals to ensure that CPD is making progress toward its goals.
- Monitor progress: Monitor CPD's progress against the identified KPIs and benchmarks on a regular basis. This can be done through regular meetings, reports, or other communication channels.
- Provide feedback: Provide feedback to CPD on their progress and hold them accountable for utilizing the identified resources to address the problem areas discussed in the plan.
