The Association, its agents and contractors, are hereby granted a valid easement and servitude of use and maintenance across and upon the exterior of each Dwelling Unit located on a Lot for performing painting, staining and pressure washing. The intent of this servitude is to ensure that the exteriors of each Dwelling Unit are painted in consistent colors, remain painted and/or stained in good condition, and keep the exterior of Dwelling Units and roofs in clean condition. The expense for the use, maintenance and upkeep of such servitude on each Lot shall be paid by the Association, unless the general rules of Louisiana law regarding liability for property damage due to negligent or willful acts or omissions shall apply thereto. The Association shall have the discretion to determine how often such maintenance shall occur on the Lots and shall have no obligation to perform such use, maintenance and upkeep. In no event shall the Association be deemed responsible to provide any structural maintenance, water intrusion prevention, repairs or replacements of a Dwelling Unit, and such responsibility shall remain with the applicable Owner. In the event that the Association performs any use, maintenance or upkeep as described in this Section, the expense may be assessed as a Residential Assessment if such use, maintenance or upkeep applies to at least a majority of Lots or shall be assessed as an Individual or Special Assessment against the applicable Lot if such use, maintenance or upkeep applies to less than a majority of Lots (or is due to the negligence or willful acts or omissions of a Lot Owner).

18. 3.44 PARTY WALL. Each wall which is built as a part of the construction of any Dwelling Unit upon the Highcroft a/k/a Highcroft Townhomes and placed on the dividing line between the Lots shall constitute a party wall. The cost of reasonable repair and maintenance of a party wall shall be paid by the Owners of the Dwelling Units connected by the party wall. Such expenses shall be divided equally between the two (2) Owners unless the general rules of Louisiana law regarding party walls and liability for property damage due to negligent or willful acts or omissions shall apply thereto. If the party wall is destroyed or significantly damaged, the adjoining Owners shall have a mandatory obligation to repair or replace the wall utilizing materials which are substantially similar the original materials and the party wall shall be equal in strength to the original construction. Each Owner may use the party wall as he sees fit provided the use does not infringe on the rights of the adjoining Owner. No Owner may raise the height of

the party wall. No Owner may make an opening in the party wall without the consent of the adjoining Owner.

19. 3.45 MAINTENANCE OF ROOF. The Owner of a Lot is responsible for the maintenance, repair and upkeep of the roof of his Dwelling Unit. If the roof is damaged, the Lot Owner is obligated to immediately repair the roof using the same materials and design as used in the original construction such that the roof will be consistent with adjoining roofs. This mandatory obligation of replacement or repair of a damaged roof must be commenced within sixty (60) days of the damage of the roof and completed within twelve (12) months from the date of the damage of the Dwelling Unit. Roofs shall be subject to the maintenance servitudes described in this Article 3. In the event the Lot Owner has failed to commence the repair or replacement of the roof required by this Section within sixty (60) days of the occurrence of the damage to such roof, then ten (10) days following the expiration of such sixty (60) day period: (i) the Association shall have the right, but not the obligation to repair or replace the Dwelling Unit's roof; and (ii) the Association may charge the cost of such repairs or replacement to the Lot Owner as an Individual Assessment.

20. 3.46 SERVITUDES FOR ACCESS AND SIDEWALKS. Declarant hereby grants to the Association, the Owners and their respective successors and assigns, (a) a non-exclusive predial servitude and right of use upon, over, and across the sidewalks constructed on each Lot; and (b) a non-exclusive servitude of pedestrian and vehicular access over the Private Servitudes of Passage, subject to this Declaration and the Rules and Regulations. To the extent that these non-exclusive servitudes and rights of use exist in favor of the Owners, it shall be appurtenant to each Owner's Lot and shall automatically pass with the title to the Lot.

21. 3.47 LANDSCAPE SERVITUDES. Landscaping (and sprinklers, if installed) have been or will be placed and maintained on portions of the Residential Common Areas bordering the front of certain Lots of the Highcroft a/k/a Highcroft Townhomes. The Association, its agents and contractors, are hereby granted a valid easement and servitude of landscaping and lawn care use and maintenance across and upon each such Lot where necessary for maintenance of landscaping installed upon abutting Residential Common Areas. The servitude includes all of the lawn and landscaped areas located between the Lot and the Residential Common Areas located in front of such Lot. The intent of this servitude is to ensure that the lawns and landscaping situated upon Residential Common Areas are properly maintained.

22. 3.48 EXTERIOR STRUCTURAL IMPROVEMENTS. The cost of reasonable repair, maintenance or replacement of the structural integrity and exterior appearance of Dwelling Units (including exterior lighting) shall be the responsibility of the Owner of the Dwelling Unit. The exterior of Dwelling Units shall be subject to the maintenance servitudes described in this Article 3.

23. 3.49 DAMAGE AND DESTRUCTION. If a Dwelling Unit is partially destroyed or damaged by fire or other casualty, there is a mandatory obligation to replace or repair the entire Dwelling Unit and party wall in accordance with the provisions of Article 3, unless the general rules of Louisiana law regarding liability for property damage due to negligent or willful acts or omissions shall apply thereto. This mandatory obligation of replacement or repair must be commenced within sixty (60) days of the damage or destruction of the Dwelling Unit and completed within twelve (12) months from the date of the damage or destruction of the Dwelling Unit. If a Dwelling Unit is completely destroyed or damaged by fire or other casualty, the Lot Owner shall, within sixty (60) days of the damage or destruction of the Dwelling Unit, commence such repairs or replacement and diligently pursue the same, provided such repairs or replacement shall be completed within twelve (12) months from the date of the damage or destruction of the Dwelling Unit. Any repairs or replacement of a Dwelling Unit required by this Section shall utilize materials which are substantially similar the original materials. In the event the Lot Owner has failed to timely commence the repairs or replacement of the damaged Dwelling Unit, as required herein, within sixty (60) days of the occurrence of the damage or destruction of the Dwelling Unit, then ten (10) days following the expiration of such sixty (60) day period: (i) the Association shall have the right, but not the obligation to commence such repair and/or replacement upon the Dwelling Unit and/or the Lot; (ii) the Association may diligently pursue such activities on the Dwelling Unit and/or Lot to their completion, and in connection therewith, utilize the insurance proceeds referenced in Section 3.50 below; and (iii) the Association may charge the cost of such activities to the Lot Owner as an Individual Assessment. In the event the repairs are not completed within twelve (12) months from the date of damage or destruction, the Lot Owner shall pay the Association \$500.00 per day until the repairs or replacement are complete. The Lot Owner and the Association expressly acknowledge and agree that this amount to which the Association may be entitled hereunder in the event of a breach or default by the Lot Owner of this provision, and to which the Association may be entitled to hereunder in the event of a breach or default by the Lot Owner, is a reasonable forecast of just compensation for the harm that would be caused by a breach of or default under this provision, that the above provisions are reasonable in light of the intent of the parties and the circumstances surrounding the execution of this Declaration. All repairs and replacements of the Dwelling Unit shall be in accordance with the original design of the Dwelling Unit and shall be approved by the Design Review Board.

24. 3.50 MANDATORY INSURANCE. Each Lot Owner shall be required, at such Owner's sole expense, to keep and maintain the Residential Lot and the Dwelling Unit insured against loss or damage by fire, flood, or other hazard or casualty at all times and the minimum coverage amount for the insurance on the Residential Lot and the Dwelling Unit shall be the full replacement value of the Dwelling Unit, with the Association named as a loss payee and additional insured,

such coverage to commence at acquisition and be timely renewed each year thereafter. The insurance shall be in form reasonably satisfactory to the Association and effected by a valid and enforceable policy(ies) issued by insurance company(ies) licensed to do business in the State of Louisiana and reasonably acceptable to the Association, which company or companies are listed in Best Insurance Reports with a rating of AA or better. Each Lot Owner shall furnish a certificate of insurance to the Association complying with the above requirements at the Closing on the acquisition of the Dwelling Unit and each renewal period thereafter. Upon the occurrence of a casualty, the Association may, but is not obligated to, utilize the said insurance proceeds to rebuild the Dwelling Unit as set forth in Section 3.49 above. If a Lot Owner fails to pay the annual premium for such insurance, the Association may, but is not obligated to, pay such premium to avoid cancellation of such policy and immediately seek full reimbursement from such Lot Owner, plus all costs incurred related thereto. If such Lot Owner fails to pay the Association within 10 days after receipt of an invoice therefor, the Lot owner shall owe interest to the Association at the rate of twelve (12%) percent per annum of the outstanding balance from such date of its failure to pay until such is paid in full and the Association shall have lien rights as set forth in Article 8.6 herein. For purposes of clarity, the obligations of Lot Owners set forth in this Section 3.50 shall only apply to a given Lot Owner at such time that a Certificate of Occupancy is granted to a non- Declarant Owner of said Lot.

25. Section 5.03 SUBMISSION, APPROVAL AND REFUSAL OF ARCHITECTURE, SITING, LANDSCAPING AND OTHER BUILDING PLANS. A copy of all plans and related data shall be submitted to the Architectural Committee prior to any improvements or modifications of any kind being made to any Lot. The Architectural Committee shall establish a fee sufficient to cover the expense of reviewing plans and related data at the time they are submitted for review and to compensate any consulting architects, landscape architects, urban designers, or attorney's retainer. Approvals shall be dated and shall not be effective for construction commenced more than twelve (12) months after such approval. Plans or sections of Plans, and related data, not approved shall be accompanied by a reasonable statement of items found unacceptable. In the event the Committee fails to approve or disapprove within thirty (30) days following receipt of the written request for approval, approval will not be required by the Committee, however, all other provisions shall continue to apply. Refusal or approval of plans, site location, building height, or specifications may be based by the Architectural Committee upon any ground which is consistent with the objectives of these Covenants, including purely aesthetic considerations.

26. Section 11.03 APPLICATION OF MAXIMUM ASSESSMENT. The annual assessments, as set forth in the schedule herein below, and as annually increased pursuant to the provisions of subparagraph (c) below, shall be levied by the Association or by Contractor pursuant to Section 11.01. If, however, the Board of Directors of the Association, by majority vote, determines that the important

and essential functions of the Association may be properly funded by annual assessments less than those set out below, it may levy such lesser assessments. However, so long as Contractor is engaged in the Development of properties which are subject to the terms of this Declaration, the Association may not reduce annual assessments below those set out in subparagraph (a) of this Section without prior written consent of Contractor. The levy of annual assessments less than the maximum regular annual assessments in one (1) year shall not affect the Board's right to levy the maximum regular annual assessments in subsequent years. If the Board of Directors shall levy less than the maximum regular annual assessments for any assessment year and if thereafter, during such assessment year, the Board of Directors shall determine that the functions of the Association cannot be funded by such lesser assessments, the Board may, by majority vote, levy supplemental assessments.

(a) The maximum regular annual assessment shall be the sum determined by the Board of Directors. The regular annual assessment for the year ending December 31, 2022 is One Thousand Four Hundred Four and No/100 (\$1,404.00) Dollars payable annually, including a Seventy Five and No/100 (\$75.00) Dollars, late charge if such annual payment is over thirty (30) days delinquent, and simple interest thereon at a rate per annum equal to ten (10%) percent;

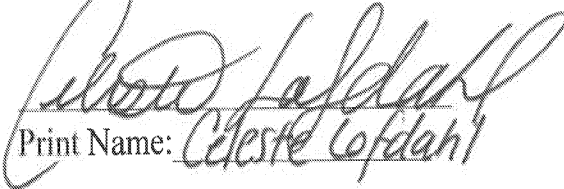

(b) From and after January 1, 2023, the maximum regular annual assessment may be increased, adjusted or reduced from year to year by the Board of Directors of the Association as the needs of the Subdivision, in the Board's sole judgment, may require.

27. Section 11.14 INITIAL CAPITAL CONTRIBUTION. Upon the purchase of any lot or home, at the time of the purchase, the buyer shall contribute Four Hundred and No/100 (\$400.00) Dollars to the Association as an initial capital contribution.

The remaining paragraphs of the Master Declaration and the above amendments constitute the entire governing declaration of rights, covenants, restrictions, affirmative obligations and conditions of the Highcroft a/k/a Highcroft Townhomes. Should any restriction or covenant in this amendment conflict with the original restrictions referenced above, this document shall govern that rule, restriction, or covenant.

IN WITNESS WHEREOF, Declarant has executed this First Amended/Supplemental Declaration on the date stated above, in the presence of the undersigned competent witnesses and me, Notary Public, after due reading of the whole.
