Re: 250 Water Street (Site No: C231127)

Remedial Design Report (RDR) and  
Construction Health and Safety Plan (CHASP)

Dear Mr. Scherl,

The New York State Department of Environmental Conservation (DEC), in consultation with the New York State Department of Health (DOH), has reviewed the revised Remedial Design (RD) report – Test pit Investigation and Construction Health and Safety Plan (CHASP), submitted on May 10, 2022, for the 250 Water Street (Site No: C231127). The revised RD report and CHASP have incorporated all comments provided by the DEC and DOH. The RD report and CHASP are hereby approved.

The approved RD report and CHASP should be placed in the document repository along with the approval letter.

Should you have any questions regarding this matter, please email me at [rafi.alam@dec.ny.gov](mailto:rafi.alam@dec.ny.gov) or call me at (518)-402-8606.

Sincerely,

Rafi Alam  
Project Manager, Bureau B
