Salt Lake County GOP Central Committee

Members of the Salt Lake County GOP Central Committee:

As a previous Deputy State Auditor, I know first-hand the importance of having a qualified and experienced auditor serving as the Salt Lake County Auditor. The County Auditor has a key role in helping Salt Lake County ensure that taxpayers dollars are spent wisely and in accordance with County policies and procedures.

Chris Harding is a qualified CPA with many years of auditing experience both in the private sector and various levels of government. Chris's experience and training give him the unique qualifications to make him the ideal Salt Lake County Auditor.

If you want a dedicated professional, a trained auditor and also a lifelong Republican, please vote for Chris Harding, CPA.

Sincerely,
