Rejoicing with God's People

"The nations rage, the kingdoms totter; he utters his voice, the earth melts. The LORD of hosts is with us; the God of Jacob is our fortress." Psalms 46:6-7.

Sri Lanka is suffering through huge financial and political hardships. Power cuts, fuel shortages, and skyrocketing prices have brought over a month of protests. Recently, violence broke out between opposing sides.

Our family is safe. None of this is directed at foreigners.

The pastors, evangelists, and members of our partner church are safe. But they are suffering due to the economy. Continue to keep them in your prayers.

The Lord of hosts is with us. He is our fortress. In Him we take refuge when the nations rage and kingdoms totter.

Rejoice with those who rejoice, weep with those who weep.

Part of mission work is building relationships with people: To rejoice with those who rejoice and weep with those who weep. This year I have been honored to baptize a baby, preach at weddings, give a prayer at a funeral, and host an all-church leaders' meeting.

After nearly five years, my affection for the people here has grown. As we grow closer, we are better able to serve the Lord's mission in Sri Lanka.

Our Leaders' meeting was intended to prepare us for Church Assembly, but because of the unrest in the country, we have postponed it. This is a huge milestone in the church, but concern for the safety of those traveling has delayed this wonderful event, but God willing, only temporarily.

Thank you for your partnership in spreading the Gospel of Jesus.

Rose about to enjoy a chocolate cake with praline rosettes on top

On the 19th of March Rose turned 17! She took some of her closest friends out to go Cosmic bowling and dinner afterwards. If you have never been Cosmic Bowling you should try it. It is done under blacklights and the balls, the pins, and the lane markings are all specially treated so they glow in the dark. There was a lot of giggling going on.

With the ongoing gas shortage and the increasing problems with trying to get taxis Steven purchased a scooter to get around town. We have been talking it over for awhile and finally decided to take the plunge and get one. Until he takes his final driving exam he has to have an "L" on the front and back to let others know that he is a learner. I have a helmet so that I can ride on the back. The scooter is meant for short trips around Colombo.

The kids are doing well in their studies. Duncan has a drama class. They have had extra classes after school to prepare for a taping of their group performance. He enjoys the class and regularly is memorizing lines.
