

OCTOBER NEWSLETTER

Did you know we offer art classes? We have a youth art and teen art class available on Tuesday nights. Our art classes cover the basics of visual art to help students understand vocabulary; the various mediums and their uses; and the use of shapes, shadows, positioning, and abstract forms. Our classes are perfect for those just starting in visual art or simply learning as a relaxing past time. They are also a wonderful addition for those pursuing careers in art and building art portfolios.

In August, some of our advanced students participated in Arts Alive at the Hylton Performing Arts Center. It was so good to be apart of this annual production once again!

Recital commitment must be confirmed by October 23rd.

- Log into your student account
- Click on the three lines in the upper lefthand corner
- Click on "view my performances"
- Review the performance classes listed there.

If you do **NOT** intend for your student to participate in this year's Spring Concert in one or more of the classes listed, please email registrar.danceetc@gmail.com by October 23rd to let us know which class(es) they will **not** be participating with. If your student will be performing with all of the classes listed, there is no further action needed. On November 1st, all students will be charged one costume deposit per performance class (payment due by November 13th). Please see the Terms and Conditions page on our website for more information or contact our registrar with questions!

Please note, the show time, performance length, and performance order listed in the performance segment are not final and will be adjusted when we get closer to the performance. The performance date is set and will not change unless impacted by circumstances beyond our control

Registration for performance classes is open till November 1st. If you'd like to add any performance classes to your schedule, be sure to do so this month!

We're still being very careful to follow COVID-19 guidelines. Thank you for prioritizing the health of our dance family!

Our Drama Production class and Drama Acting for Film and Television workshop start October 5th! Registration is still open and available through our website.
