### **Full Privacy Policy**

The processing of business data should always be compliant with the country-specific data protection regulations applicable to EarthRon and its customers.

Business data is information that can identify you personally, as in your name, address, email, phone number etc. Through this Privacy Policy we want to inform you, as the data subject, of the nature, scope,

and purpose of our collection, use and processing of the Business data.

### **1. Collection and use of Business data**

#### **General contact, order and contact management**

We use our own platform to process all such information and the service is hosted on AWS platform

### **2. Automated decision making**

We do not use automatic decision-making or profiling

### **3. Third party disclosure**

We use the third party providers listed in this Privacy Policy to operate our website and conduct our business, and we maintain data processing agreements with these providers to ensure your privacy rights.

We do not sell, trade, or otherwise transfer your business data to outside parties unless we provide you with advance notice. We may also release your information when we believe release is appropriate to comply with the law, enforce our site policies, or protect ours or others' rights, property, or safety.

### **4. Data retention period**

As per the BMW Act 2016, we have to retain all data for atleast 5 years.
