| Service agreement contract for Foundations®<br>Level 3 Virtual Launch Workshop<br>9am-2pm February 24, 2023 | \$299.00 per person |
|---|---------------------|

Foundations® Virtual Launch Workshops (instructor-led) provide the practice and guidance needed to effectively begin teaching the Foundations® curriculum. This highly interactive remote workshop was developed with extensive participant input during spring/early summer 2020. It was designed to maintain participation and motivation for optimal learning, with strategically placed breaks and discussions throughout each session.

- Identify the skills taught in Foundations: print awareness; phonological awareness; phonemic awareness and alphabetic principle; sound mastery; phonics; vocabulary; high frequency/trick words; fluency; comprehension strategies; handwriting, spelling, and punctuation.
- Understand the principles of instruction: explicit, sequential, and cumulative instruction that engages multiple learning modalities with multisensory instruction, repetition, and immediate specific feedback.
- Identify and understand the use for all materials in the Foundations Teacher’s Kit and have a sense of how to find and use the many extended resources available on the Prevention/Early Intervention Learning Community for Foundations (membership included with participation in this workshop).
- Use the Teacher’s Manual to prepare a daily learning plan and practice lesson activity procedures.
- Visualize the flow and pace of a full Foundations lesson completed with fidelity.
