The next meeting will be Wednesday, December 6 at 7:30 pm in the Antioch Senior Center.

The meeting was called to order by Mr. Dan Puzzo with 10 members present.

Jim K informed the club that the scheduling for the Senior Center was changing and we might need to change our meeting day and or time. Alternate locations were discussed. Our December meeting is still ok.

Jim informed me that our club meeting time and day are not affected by the new scheduling. We will continue to meet on the 1st Wednesday of the month at 7:30 pm.

John Panek informed us that the 1st Chicago bottle club show on November 1 is sold out. He stated that a lot of new people and some old have been added.

Our show with Zurko had 19 tables. We were allotted 25. Seemed to be a decent crowd at the Fairgrounds.

Show and Tell:

Pete showed a pottery jug which he acquired from Carl Malleck. Old whiskey Samuel Myers and Company. 288 and 270 Madison St. Chicago.

Dick showed a whiskey with tooled top with embossing and bubbly texture. A car bottle candy container and a Tune In embossed candy container.

Jim K. showed one of the biggest medicine bottles. Geo. Catlin, Chicago with prescription lip.

Stacy gave another amazing presentation on Uranium Glass. Very educational.

The December meeting will be our annual Christmas Party.

The club provides the chicken. Everyone is asked to bring a dish to pass. There is also a white elephant gift exchange which often includes some unusual items. \$10 minimum.
