Meeting was called to order by our President Mr. Dan Puzzo at 7:32. 10 members were present.

John Panek showed a common Elgin bottle. Adler Brau, machine made. Last year of production.

Health update on John Puzzo: Johns brother Rich is a 100% match for a bone marrow transplant scheduled for early November with a 75% success rate. R.T. explained the the process as he had been thru the same procedure.

Jim K. dove a Wisconsin river and came up with a West McHenry Illinois pickle jar/bottle. 6 sided.

Show news: The Wheaton show has been cancelled at only 5 dealers outside of our club signed up. Refunds will be issued. The Grayslake show is filling fast. Get your contracts in to ensure a spot. John Panek said the Chicago Show contracts have been mailed. A great show is anticipated. This year dealers have a choice of 8 or 12 foot tables. The new show venue is the Orland Park Civic Center.

Aquisition Night:

Many great entries. Too many to list. The overall best in show was a olive bitters bottle. I apologize for lack of photo.

The November meeting will have a presentation on Uranium Glass by Stacy.

Greg will bring snacks.

Our website is up and running. Thank you Stacy for all the hard work.

The December meeting will be our annual Christmas Party.
