

## Installment Payment Plan

### Bridging the Gap Training

1 World Translation (also referred to as 1WT) is excited to offer a payment plan to Bridging the Gap (BTG) Training applicants. We will require a credit card on file as part of our installment payment plan agreement. 1WT will hold the certificate earned through the training program until balance is paid in full.

I, \_\_\_\_\_, authorize 1 World Translation to make the regularly scheduled charges to my credit card. A receipt will be emailed for each payment that includes information on how much you have paid off and how much is left. When the total due is collected, the schedule ends and the authorization is terminated. All credit card payments are subject to a 2.5% interest charge due to credit card processing fees.

Payments will be charged to the credit card on file on the date selected above, however, if the payment due date falls on a weekend or holiday 1WT will collect on the following business day. I agree to notify 1WT of any credit card updates 1 business day prior to my payment due date and or if I need to modify a payment date to avoid my credit card declining. If I fail to comply with this payment schedule and or pay the balance due, I agree to pay any and all collection/legal/court fees associated with collection efforts made by 1WT. 1WT will hold the certificate earned through the training program until the balance is paid in full. Should I choose to accept and perform work with and through 1WT, I hereby agree to have any uncollected fees taken from my paycheck.
