

## Bridging the Gap®/BTG 40 & 64 hour Medical Interpreting Courses

The Cross Cultural Health Care Program course is the national gold standard. The 64-hour course includes the 40-hour medical course components plus in-depth advocacy behavioral health, ethics, inclusion, cultural & healthcare systems study.

*Instructor: Carolina Weaver RN, BSN,  
Psychiatric Nurse Specialist.*

We are fortunate to be the only company with a Registered Nurse with extensive medical and psychiatric experience teaching this course. Ms. Weaver has worked as an interpreter and managed an award winning interpreting agency for 17 years. Her experience in the Workers' Compensation Industry adds to the wealth of knowledge students benefit from by this highly regarded instructor. Clinical exercises are part of each explored topic.

*"You prepared us well, Carolina! I passed [National CCHI exam] easily, with a high score. I wanted to thank you for teaching us well. There were a lot of tricky ethics questions on there."*
