Bridging The Gap [®] Medical Interpreter Training 40-hour or 64-hour w/behavioral health	The Community Interpreter [®] International/Medical Edition 40-hour
---	--

Application and Information

Get the best professional medical interpreter training & certificate this year!

Enhance your life and career with adding confidence and the most requested certificate! Certificates are core requirements for national certification and by agencies and employers. Our 40-hour & 64-hour certificate programs have the best prices in Colorado and we have been told we have the most comfortable learning environment, the kindest and best qualified instructors to cover the vast content and the complex issues that arise amidst the varied topics.

Consider the 64-hour BTG course for behavioral health with in-depth medical, cultural, advocacy, and health care system navigation. This is the most complete course, with upgrades emphasizing holistic knowledge that provides an advantage in today's challenging medical interpreting world. It's definitely the best way to prepare for national certification testing. You'll be eligible for any medical/behavioral health assignment with this certificate in hand and have the strongest base.

The 40-hour course offers instruction and coaching in the foundational skill set which includes professional conduct/ethics, positioning, sight translation, interpreting modes, cultural mediation, intervention strategies, medical interpreting, and other vital practices & topics. Classes are hands-on! Role play, activities and group exercises provide experiential learning and development of individual skills, knowledge and awareness. Join knowledgeable and enthusiastic instructors and classmates in a comfortable, open, collaborative, and positive learning environment. Grow your confidence and enhance your skills! (The 64 hour course includes all of the above as a base and adds much more.)

Prerequisites:
