6-25-21

Conference and Technical Presentations

Christopher O'Brien has given presentations detailing the UFODAP technologies, methodologies and goals for this revolutionary approach to UAP studies at two of the largest UFO conferences in the world, The International UFO Congress and the International MUFON Symposium's State Investigators seminar.

Scientific Coalition for UAP Studies (SCU), Scientific Conference on Anomalous Aerospace Phenomena (AAP)

June 5-6, 2021

Ron Olch provided a video presentation and answered questions in a discussion session. The presentation described the motivation, architecture and technical details of the technologies he developed for UFODAP hardware and software data collection solutions.
