We provide financial and volunteer aid to the Eisenhower High School Football Program for the purpose of supporting a quality extracurricular program for student-athletes, who are building character and resilience on and off the field! We do this by providing support both in-season and out, building community, and raising funds. Our 2026 campaign consists of a sponsorship program and an annual golf outing, which is our largest fundraiser, draws a fantastic crowd, and is a wonderful community event! We are very proud to say that we direct 100% of our funds to the Eisenhower High School Football Program. Please join our 2026 Season!
