

6th August 2026

Notification of Filming at 30 Caledonia Place on Monday 17th August 2026

Dear Resident(s)/Business Owner(s),

We are writing to let you know of our plans to film at **30 Caledonia Place, Clifton, Bristol BS8 4DL** on **Monday 17th August**, between the hours of **08:00 – 18:00** (approx.). Filming is for a contemporary BBC/HBO drama that is being produced by Bad Wolf Productions.

All of our scenes shall take place within the property itself, aside from a singular shot from a roadside camera position looking back towards the house.

To facilitate our filming, we will need to park our essential technical vehicles near to our filming location. To mitigate our impact on residential parking, we intend to park the majority of these vehicles in the pay & display bays on Sion Hill. We shall, however, require several spaces directly outside of 30 Caledonia Place, to position our mobile lighting crane, generator, camera, and rigging vehicles. We shall also need to utilise several residential spaces on Sion Hill for our larger trucks.

Prior to filming, on **Thursday 13th August**, we shall begin essential preparatory work at the property, followed by two days of reinstatement work post filming. Our work here then, is due to fully conclude on **Wednesday 19th August**. We shall need to retain our parking spaces outside of 30 Caledonia Place throughout this period to accommodate our various working vehicles and deliveries.

The maps overleaf detail our required parking areas and suspension dates. Our filming plans and parking suspensions have been approved by Bristol City Council. We have also liaised with the Clifton BID.

We are striving to be at the forefront of sustainable filmmaking and working towards a full 3-star Albert Sustainable Production Certification. As such, we are an entirely diesel free production, using renewable energy as a priority and HVO for fuel when an electric alternative is not available.

Should you have any questions or concerns regarding our plans, please do not hesitate to contact me below. We want to make sure this information is accessible to everyone. If you need this letter in another language or format, or would prefer to discuss it with someone in person, please get in touch and I will be pleased to assist.

Sincerely,

Jack Dennis
