

Dear all,

We're pleased to share our newly refreshed website, now with improved information and resources for businesses:

www.discoverclifton.co.uk

What's New

Submit Your Events

You can now submit your events directly through the website, and we'll promote them across our social media channels.

Please submit events **at least two weeks in advance**, including full details and images, using this link:

You can also promote your events by displaying flyers free of charge at our five village information points:

- The Lansdown Pub
- Save the Children Charity Shop
- Hamptons Estate Agency
- Chino's Café
- Arcade (main entrance)

Keeping Your Business Details Up to Date

Please check your business listing on our website and make sure all details are correct, including opening hours and contact information.

If you cannot see your listing, please email us with:

- Business name
- Contact name and email address
- Phone number
- Website and/or social media links

If you notice any missing information or have suggestions for improvement, we welcome your feedback.

Filming in the Village

You can find details on:

- Filming dates, times and locations
- How to get involved
- Site manager contact details

Clifton is an iconic backdrop, and we're always pleased to welcome film crews to our streets. Their presence brings added interest and valuable footfall, and the benefits continue long after filming ends, with "screen tourism" attracting visitors keen to explore the places they've seen on screen.

You can find out more about local productions on the Bristol Film Office website:

Opportunities for Local Businesses

If you supply goods or services to the film and TV industry, you may wish to join these directories:

- **The Bottle Yard Studios local suppliers list**
Email: thebottleyard@bristol.gov.uk
Include a short description of your business (around 200 words) and your contact details. (Details are shared with productions, though inclusion does not guarantee enquiries.)
- **Filming in England suppliers directory**
<https://filminginengland.co.uk/supplier-directory/>

If you would like to register your venue as a potential filming location, please contact:
