Clifton BID

Annual General Meeting

 **5th December**

 **17:00**

Pavey House, Waterloo Street

We warmly invite you to join us for the Annual General Meeting of Clifton BID. This is a moment for us to gather as a community, reflect on the achievements and challenges of the past year, and look ahead to the opportunities that lie before us. Most importantly, it is your voice that shapes our work. By attending, you help us understand your priorities more clearly, ensuring that we continue to serve Clifton in the very best way.

You are at the heart of why we are here, and who we are here for.
