

SCANE
DANCE

Welcome Back!

Welcome to July! We hope everyone has enjoyed a well-deserved few days off following our annual show and is feeling refreshed and ready for another exciting month at the studio.

Abracadabra – What a Weekend!

Our 2026 show, Abracadabra, was truly magical, and we couldn't be prouder of every single dancer who stepped onto the stage. From our tiniest performers to our inter dancers, each and every one of you danced with confidence, commitment and so much joy. Watching everyone's hard work come to life was incredibly special, and we hope you all created many more dance memories to treasure.

A huge THANK YOU goes to:

- Our wonderful teaching team – for the countless hours of choreography, rehearsals, organisation and encouragement.
- Our amazing chaperones and backstage helpers – for keeping everything running smoothly and making sure our dancers were happy, calm and performance-ready.
- Our fantastic dance families – thank you for every rehearsal journey, hair bun, lift to the theatre and all the support you give throughout the year. We truly couldn't do it without you.

Most importantly...

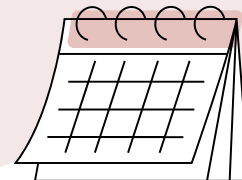

We are so incredibly proud of every dancer. Your dedication, teamwork, resilience and confidence shone on stage, and you should all be so proud of yourselves. Well done!
