March 2026

SCANE
DANCE

Hello Spring!

The countdown is on for this year's performance at the Lyceum Theatre for Crewe Gotta Dance 2026. Both show pieces are looking fabulous and all of our students are working hard to make them stage ready. There are still tickets left if anyone would like to come and watch: book [here](#).

If dancers would like to practice at home over the next few weeks please follow the video links below:

Enchanted: <https://youtu.be/Lw227gAHZts>

A Little Party: <https://youtu.be/CHvQJES2vyc>

This year we will be holding both our rehearsals at **The Victoria Centre in Biddulph** (where we used to dance). Please note the rehearsal venue is a change from the original show letter, but times/dates of rehearsals remain the same.

Rehearsal Location	Rehearsal Date	Rehearsal Time
The Victoria Centre	Saturday 14 th March 2026	1:30-3:30pm
The Victoria Centre	Saturday 21 st March 2026	1:30-3:30pm

Crewe Gotta Dance Show Day Information

All dancers need to be at Crewe Lyceum Theatre by 4:40pm. Our meeting point is outside the theatre entrance. Please drop your dancer off with Miss Grace and our Chaperones. Our rehearsal on stage is at 5pm so we need to be in the building by 4:45pm. We only have one opportunity to rehearse on stage so it is extremely important that you arrive on time, as the theatre will not wait for us and we will miss our one chance to practice.

Please send your dancer with a packed dinner and lots to drink, as once they're dropped off they will not be leaving the theatre until the show has finished. After our stage rehearsal we have the chance to eat tea and get into our costumes before the show starts at 7:00pm. Dancers will need collecting from the stage door (at the side of theatre) after the show has finished at around 9:00pm.

All costumes will be brought to the theatre by Miss Grace, you do not need to worry about this. On Saturday 21st March 2026 all jazz shoes will be taken in to be named and for show ribbons to be put in, these will then stay at the studio ready to be taken to the theatre.

For both show pieces hair needs to be in a low ballet bun, if you have time please send your dancer with their hair already done.

Welcome Miss Amy!

Over the past month Miss Amy has been teaching alongside myself, Miss Grace and has been working on our show dances with some of our Friday Acro students. From late March Miss Amy will be taking over our Friday Junior, Inter 1 and Inter 2 Acro classes.

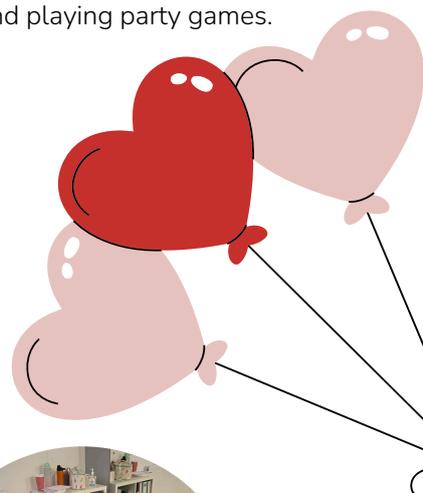

Miss Amy has been dancing since she was little and started teaching after she finished her Bachelor of Arts Degree in Dance and Performance at The Arden School of Theatre in Manchester.

I am sure you can all join me in giving Miss Amy the warmest of welcomes!

Valentine's Workshop - Monday 16th February 2026

We had a lovely half term workshop at the studio in February celebrating Valentine's day! We spent the day dancing, making lots of Valentine themed arts and crafts, decorating cupcakes and biscuits, making bracelets and playing party games.
