SCANE
DANCE

Hello November!

We are on the count down to Christmas and are heading into the last few weeks of our Autumn term. This month we start the preparation for our IDTA exam session in December with our first coaching classes. We will also have the pleasure of watching some of our dancers perform at the Biddulph Christmas Light Switch On at the end of the month.

From Monday 10th to Saturday 15th November we will be supporting Children in Need and will be inviting all of our dancers to come to class in something yellow or spotty.

In-House Awards Day 26th October 2025

We had a fabulous time celebrating our Acro, Cheerleading and Street dancers on the 26th October at our In-House Awards Day. Everyone did so well and it was lovely to share everyones hard work with parents and carers the week before at our coaching weekend.

Halloween Week At The Studio

We started October half term with a very busy day at our Halloween workshop. We had such a fun day dancing, playing party games and doing lots of spooky arts and crafts.

In our normal classes students were invited to dress up and everyone who did looked amazing in their Halloween costumes!

We will be performing at the Biddulph
Christmas Light Switch On this year

Saturday 29th November 2025
5pm in front of the Town Hall

We will only be opening this event up to our Musical Theatre, Freestyle and Street dancers due to the nature of the performance being outside.

For this performance we ask that students wear their Scane Dance uniform: Black Leggings, Scane Dance T-shirt, preferably a Scane Dance Hoodie as it will be cold and Trainers not their jazz shoes. At rehearsal we will be sending our dancers home with some tinsel to pop in their hair for the Light Switch performance.

If your dancer does wish to take part in this performance they will need to attend a rehearsal on Saturday 22nd November at 1:00-1:45pm. This rehearsal fee is £6 and will be added to your November invoice on the 1st.

Please email Miss Grace or speak to your class teacher to confirm if your dancer is performing, this is really important so that we can ensure we have enough chaperones and teachers to dancers on the day.
