SCANE
DANCE

Hello October and welcome Autumn!

We are on the count down to spooky season and we have lots planned at the studio this month to celebrate. We have our Halloween dress up week from Saturday 25th to Friday 31st October where all of our dancers are welcome to attend their classes in fancy dress. We are also holding a Halloween Workshop on Monday 27th October at 9am to 3pm for children aged 3-12yrs. A day at the studio filled with spooky dancing, party games and Halloween themed arts and crafts. If your dancer wishes to attend our Halloween Workshop please speak to your class teacher or book your dancer on via our [website](#).

In-House Awards Day/ Coaching Classes

We have our In-House awards coaching classes and awards day coming up at the end of the month on Sunday 19th and 26th October. If your dancer is taking their award this time please check your emails for our awards timetable, a copy can also be found on our main noticeboard in the studio.

The Children's University

We are a learning destination for the Children's University again this academic year. For those who are new to the Children's University it is an award scheme for children that encourages, tracks and celebrates their participation in learning beyond the classroom. Stamps are awarded for taking part in clubs, online activities, and other activities done alone, or with the family, at home and in the local area. Children can keep a log of everything they do, and each hour of participation takes them one step closer to their next certificate which is awarded to them by the Children's University. Many of our local schools are participating in this, however if your child's school isn't you can subscribe your child online if they wish to participate. Click [here](#) for further details.
