

Hello **NEW** dance year!

Welcome back to the studio! 🧑🕺✨

We hope you've all had a wonderful summer and are feeling ready for another exciting year of dancing!

It has been so lovely to welcome our dancers back into the studio.

We're already seeing lots of smiles, enthusiasm and excitement as we begin a brand-new academic year and we have so much to look forward to!

From learning new techniques and routines to building confidence, making friendships and creating even more special memories together. We can't wait to see what this year brings for every one of our dancers and their families.

A reminder about our September timetable

Please remember that our timetable has changed slightly for September, so make sure you check your child's class day and time before heading to the studio.

If you're unsure about anything, please don't hesitate to get in touch, we're always happy to help! 💕

Term Dates & Studio Calendar

Our 2026/27 term dates are now available, so we recommend saving them somewhere handy!

Even better, our Studio Calendar is now available to download from our website. ➡️📱

The calendar is a great way to keep up to date with important studio dates, events and key information throughout the academic year.

Head over to our website to download your copy and keep organised for the year ahead!

There's still time for a New Class - Why start now?

September is the perfect time to try something new! ✨

Whether your child is ready to start their first dance class or wants to add a new style to their weekly schedule, starting at the beginning of a new term means they can learn alongside their class from the very first week.

Adding another style isn't just about more dancing - it opens up even more opportunities! Each style offers something different, helping your dancer discover new talents, build confidence and experience more of what the world of dance has to offer.

So why not make this the term they try something new?

One extra class could open the door to a whole new opportunity.

Bring A Friend Week

Introducing *Star of the Studio!*

We're excited to introduce our Star of the Studio, celebrating one special dancer each month who has truly shone - whether through progress, kindness, confidence, hard work, encouragement or supporting others.

Because being a star isn't just about dance skills - it's about being an amazing person too! ✨

An Exciting Performance Opportunity for Our Younger Dancers! 🎉

We're so excited to offer our younger dancers aged 5 - 8 years (who are currently enrolled in a Freestyle or Street class) the opportunity to perform at Stoke Gotta Dance at the Mitchell Arts Centre on Friday 30th November 2026!

Our older dancers have been taking part in Crewe Gotta Dance for the past 5 years and have absolutely loved every performance. We're thrilled that our younger dancers now have the chance to experience the excitement for themselves! 💕

It's a fantastic opportunity to perform on a different stage, watch other dancers and dance schools perform, and experience what it's like to be part of a wider dance community. 🌟

It's also a wonderful chance to build confidence, meet other dancers within the school and enjoy the excitement of performing outside the studio. 😊

 **17** Rehearsals: Sunday 22nd & Saturday 29th November (10:00-11:00am)

 Performance: Stoke Gotta Dance - Mitchell Arts Centre

 Ages: 5-8 years

Bookings open on our website from Monday 7th September!

Spaces will be limited as it is an external performance opportunity, so if your dancer would love to be involved, make sure you book their place as soon as bookings open!

Bring A Friend Week!

We're so excited to announce that we will be running a BRING A FRIEND WEEK at the studio this month! 🎉

 **17** Monday 28th September – Saturday 3rd October

We'd love for our dancers to invite a friend along to their class for a fun-filled week of dancing!

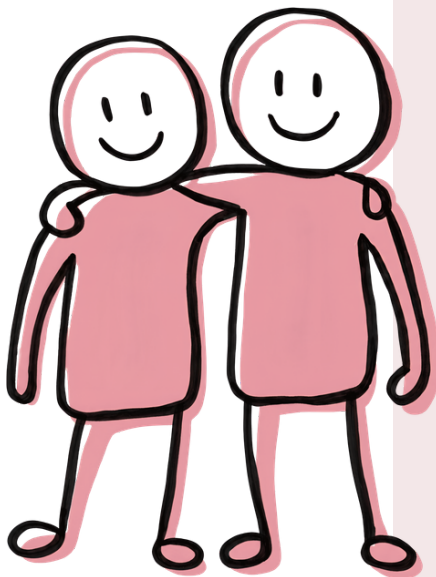

Whether their friend already loves to dance or has never stepped foot in a dance studio before, everyone is welcome. It's the perfect opportunity to show them what we get up to in class and introduce them to the Scane Dance family!

How it works:

- 💕 Choose a friend you'd love to bring
- 💕 Let your teacher know they're coming
- 💕 Bring them along to your usual class
- 💕 Have LOTS of fun dancing together!

We can't wait to see our classes filled with lots of new faces and, of course, our wonderful dancers showing their friends just how much fun we have!

So, who will your dancer be bringing?

Love Dancing With Us?

We'd LOVE to hear from you!

At Scane Dance, we're so proud of the wonderful community we've created, and your feedback means so much to us. If your child enjoys their classes, loves coming to the studio, or you've had a positive experience with our teachers and team, we'd really appreciate you taking a couple of minutes to leave us a Google Review.

Your reviews not only make our day, but they also help other local families discover our studio and feel confident about joining the Scane Dance family!

If you have a spare couple of minutes, we'd be so grateful for your support.
