Why Choose Fluido

With so many options in the market, it's tough to choose the right one. Here's what makes Fluido different.

The Sheer Range

Pick from 100s of design options! Mix and match over 20 profile types with a massive range of finishes and color options.

Quality Unmatched

The Fluido system offers smooth soft close opening and closing. We provide a 10 year and 2 year warranty on the frame and soft close mechanism, respectively.

Great Customer Service

Our team of representatives are knowledgeable and exceptional when it comes to helping Fluido clients. From post-sales to installation, whatever support you need, we are a call away!

Safety at its Best

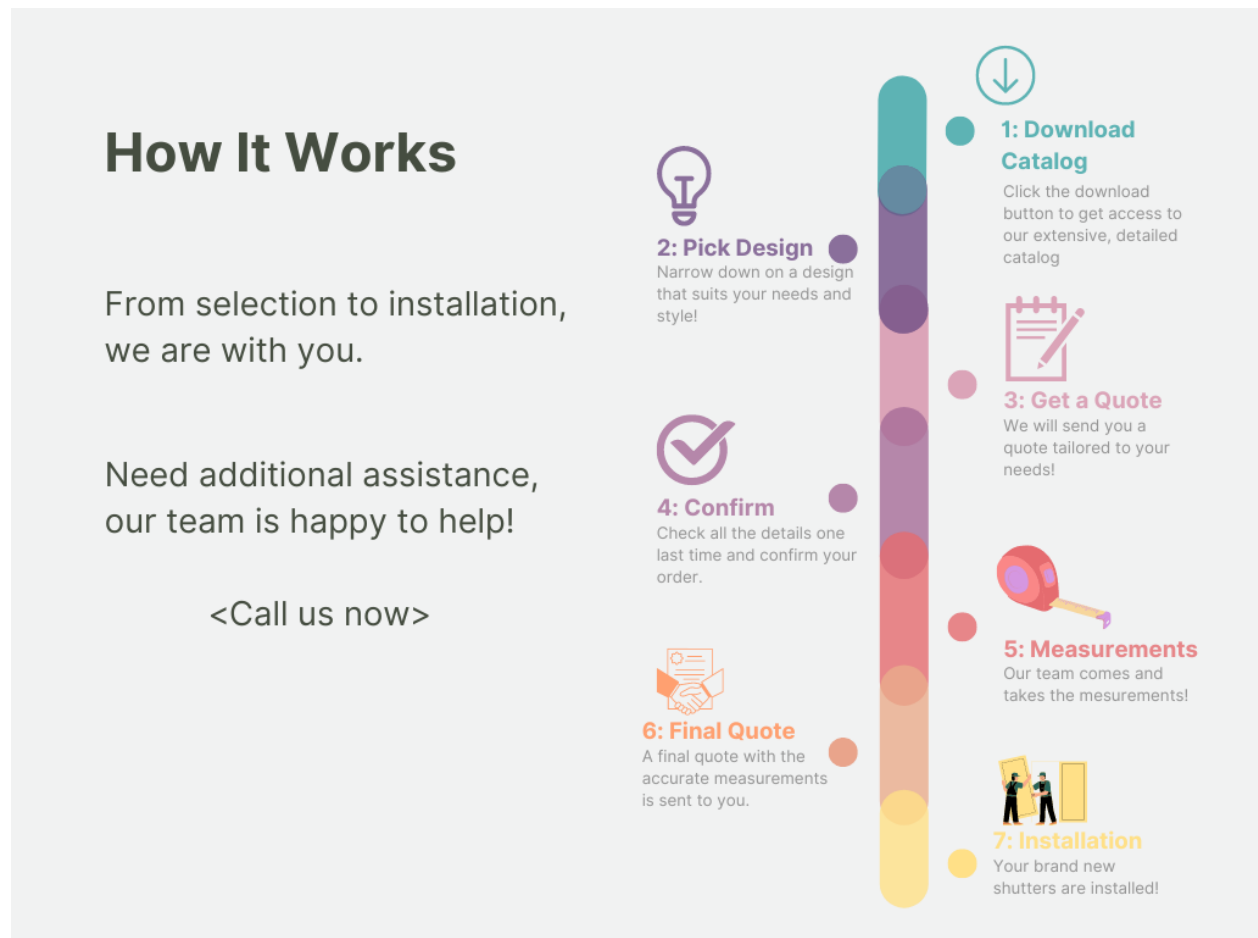

Guaranteed security for your valuables. A robust locking mechanism with premium designs ensures you don't need to compromise on style or safety.

How it Works

Steps:

Download our catalog
Pick a design
Get a quote
Confirm order
We take the measurements
Final revised quote
Installation of the shutters

About Us

The benefits of sliding door wardrobe over hinged wardrobes are well known. Their space saving characteristics, the ease of access they afford, and their sleek contemporary styling makes them a highly practical solution for the homes of today. The Fluido sliding door system follows these principles, helping to solve your storage needs.

Fluido wardrobes offer a smooth opening and closing for the shutters to ensure there is no banging of doors! The contemporary styling, massive range of panels and totally customizable features makes Fluido a wardrobe to covet!

The website features a selection of inspirational designs to provide you with an idea of just what can be achieved with the Fluido sliding door system. The possibilities are endless, with various panel configurations allowing you to create your ideal configuration. There are over 100 stunning panel finish options to choose from and numerous stylish frame finishes. We hope you are inspired to be creative.

We recognise the importance of quality and endurance when it comes to the furniture you choose for your home. That is why all Fluido sliding doors are checked and passed through a stringent quality process, ensuring you don't need to compromise to achieve the look you want

Fluido is a brand owned by Shutterstore, a one stop solution for cabinet doors.
