Presents

2021 Block of the Month  
"Pleiades"

Designed by Sheila Honeycutt, LNCQ member and owner of Stitches Quilt Shop, 1479 W. Eisenhower Blvd., Loveland.

This is a 12 month project with the block information emailed to participating members on the first Monday of each month starting January 4, 2021. We will meet via zoom on the first Tuesday of each month at 9 am for "Show and Tell" and to answer any questions you may have. Printed copies of the block pattern will be available at Stitches Quilt Shop for those who need them.

A fabric kit ( approximately \$60) similar to the picture will be available from Stitches Quilt Shop. Sheila is available to help you choose a different colorway.

The cost for members to participate in this BOM is \$25. \$10 to cover the cost of the pattern and \$15 to support the guild.

To participate, renew your membership (the membership form has been emailed separately to you) and fill out the form below. Send the form with a \$25 check to Pat Limburg, 4102 Mariana Butte Dr., Loveland, CO 80537.
