

League of Northern Colorado Quilters Presents:

A Cyndi McChesney Workshop

Increasing *Color* in Your Quilts

Cyndi will help us dive into the basics of color psychology to teach us how to increase color in our stashes. Discover how to become a color detective and learn how to utilize the color wheel to its fullest. Take inventory of your stash and work through a series of exercises beyond basic color theory to learn how to add more color and pizzazz to your quilts!

Cyndi McChesney is an award-winning, NQA Certified Teacher of the Year. She teaches nationally and has made several appearances on 'The Quilt Show' Check out her website: www.cedarridgequilting.com
