

Rickrack (43" x 61")

(adapted from Fabric Café)

Fabric Requirements:

- 1 yard of each of three fabrics (or 1 ¼ yards if your fabric is not 42" of *usable* width)

Cutting

NOTE: the cutting instructions below assume you have 42" of *usable* fabric width. If your fabric is narrower, you will need to cut an extra 6 ½" strip of each fabric (and cut down some of it to make the 3 ½" strips)

- Fabric 1 (shown as red)
 - (4) 3 ½" strips WOF
 - (1) 6 ½" strip
 - (5) 2 ½ strips
- Fabric 2 (shown as cream)
 - (2) 6 ½" strips
 - (2) 3 ½" strips
 - (5) 2" strips
- Fabric 3 (shown as blue)
 - (4) 3 ½" strips
 - (1) 6 ½" strips

Block assembly

1. Making the strip sets

- Sew a strip set using (1) 3 ½" strip of Fabric 1 and (1) 6 ½" strip of Fabric 2. Sub-cut the strips set into 12 3 ½" x 9 ½" units. These are Unit A. See Note in cutting if your fabric won't yield 12 units.
- Sew a strip set with (1) 6 ½" strip of Fabric 1 and (1) 3 ½" strip of Fabric 2. Sub-cut the strip set into 12 3 ½" x 9 ½" units. These are Unit B.
- Sew a strip set with (1) 6 ½" strip of fabric 2 and (1) 3 ½" strip of fabric 3. Sub-cut into (12) 3 ½" x 9 ½" units. These are Unit C.
- Sew a strip set with (1) 3 ½" strip of Fabric 2 and (1) 6 ½" strip of fabric 3. Sub-cut into into (12) 3 ½" x 9 ½" units. These are Unit D

2. Making the blocks

a. Block A.

unit you just made

1. Cut (2) 3 ½" strips of Fabric 1 into (12) 9 ½" pieces.
2. Sew a Unit D to the right side of a Unit A
3. Sew a 3 ½" x 9 ½" strip of Fabric 1 to the right side of the
4. Your block should measure 9 ½" square

b. Block B

just made

1. Cut (2) 3 ½" strips of Fabric 3 into (12) 9 ½" pieces.
2. Sew a Unit B to the right side of a Unit C
3. Sew a 3 ½" x 9 ½" strip of Fabric 3 to the right side of the unit you
4. Your block should measure 9 ½" square

Assembling the Quilt

Sew the rows together using the following blocks. Block A and Block B are oriented as shown the diagram unless told to rotate them 180 degrees (so the long strip of fabric is on the left instead of the right)

- b. Row 1: Unit A, Unit B rotated 180 degrees, Unit B, Unit A rotated 180 degrees
- c. Row 2: Unit A rotated 180 degrees, Unit A, Unit B rotated 180 degrees, Unit B
- d. Row 3: Unit B, Unit A rotated 180 degrees, Unit A, Unit B rotated 180 degrees
- e. Row 4: Unit B rotated 180 degrees, Unit B, Unit A rotated 180 degrees, Unit A
- f. Row 5, same as row 1
- g. Row 6, same as row 2
- h. Sew the rows together
- i. Measure your quilt width at the top and bottom, and take the average of these two measurements. Make (2) binding strips of that length from 2" strips of Fabric 2. Sew to the sides of your quilt
- j. Measure your quilt length at the left and right sides, and take the average of these two measurements. Make (2) binding strips of that length from 2" strips of Fabric 1. Sew to the top and bottom of your quilt
