# GLOBAL NEIGHBORS & FLAVORS FEST

Next date: Saturday, June 01, 2024 | 10:00 AM to 01:00 PM

Feast on cuisines, performances, and experiences from around the world at this Public Market event! We have partnered with the Ethnic Enrichment Commission of Kansas City to celebrate the rich cultures that make our community diverse and vibrant. Shop vendors, take in live performing arts and try diverse flavors from Public Market merchants and globally inspired food trucks. This is a free event, no tickets or registration required.
