First Baptist School Family

Thank you for your continued interest in First Baptist School. We know that you have many choices for the education of your children; therefore, we are delighted that you are entrusting us with this opportunity. Know that we do not take this privilege lightly. Rest assured that our dedicated staff and faculty will do their utmost to ensure the success of your student. Your participation is crucial. As we trust in the Lord, we are looking forward to serving you and your family.

Please fill out your application completely. Only completed applications with <u>updated immunization</u> <u>records</u>, will be processed.

Good communication will greatly enhance our ability to be effective. Our primary and official source of communication is by e-mail. Therefore, each family is required to have a current e-mail address on file in the school office. I would encourage you to ensure that you maintain current email and cell phone numbers with the school as they are also used in case of emergency.

We are here to serve you and consider it a joy and a privilege to do so. However, volunteers play a vital role in the success of our school. Our army of volunteers helps to keep *tuition low. Let the school office know if you are interested in this wonderful opportunity.

We pray that God will bless you and your family.

Serving Him, Terry A. Roberts Superintendent
