Education

Ph.D. in Psychology (Psychometrics), Fordham University, Bronx, NY

Dissertation: *Evaluating test content using cluster analysis and multidimensional scaling*

Master of Arts in Psychology, Loyola College, Baltimore, MD

(Counseling, with a concentration in Employee Assistance Programs)

Thesis: *The effects of aerobic exercise on select psychological variables among the chronic mentally ill.*

Bachelor of Arts in Psychology, Loyola College, Baltimore, MD

Professional Experience

September, 1995 to Present:

Distinguished University Professor¹, College of Education, University of Massachusetts Amherst

Director, Center for Educational Assessment, University of Massachusetts Amherst

Teach graduate courses in statistics, scaling methods, test development, educational assessment, educational assessment policy, validity theory, and research methods. Supervise and mentor doctoral students in ongoing research. Acquire, direct, and coordinate research grants and contracts for the Center for Educational Assessment. Supervise Center staff. Current research activities include evaluating test comparability across languages, assessing test dimensionality, implementing innovative scaling and standard setting methodologies, appraising test validity, designing computer-based tests, estimating the reliability scores from complex test designs, implementing and evaluating test accommodations, improving the attitudes of teachers and minority students towards standardized testing, and refining emerging conceptualizations of validity.

June, 1992 to August, 1995:

Senior Psychometrician, American Council on Education, Washington, D.C.

Directed, supervised, and coordinated research and test development activities related to the Tests of General Educational Development (GED Tests). Psychometric responsibilities included test construction, investigations of score reliability and validity, item analyses, standard setting, IRT research, and equating. Management responsibilities included coordinating norming and equating projects, training professional staff, supervising support staff, and mentoring psychometric fellows. Principal author of GED technical manual. Initiated and directed research linking English and Spanish language versions of the GED Tests. Initiated sensitivity (fairness) review. Directed and coordinated client research projects including statewide norming and GED/high school exit test comparability studies. Provided guidance on psychometric issues related to testing persons with disabilities. Author/co-author of numerous policy and technical reports.

¹Promoted from Assistant Professor to Associate Professor, May 2000. Promoted from Associate Professor to Professor September 1, 2004. Promoted from Professor to Distinguished University Professor June 20, 2017. Also appointed Adjunct Associate Professor, Psychology Department at UMass Amherst (November 2002).

August, 1990 to July, 1992:

Psychometrician, American Institute of Certified Public Accountants, New York, NY
Responsible for research and psychometric activities related to the Uniform CPA Examination and the Accredited Personal Financial Specialist Examination. Conducted item analyses (including applications of item response theory) and reliability and validity investigations. Trained item writers and Examination Preparation Subcommittees in item development procedures. Provided psychometric expertise to the Board of Examiners, Examination Change Implementation Task Force, and the Grading Subcommittee. Developed computerized item banking system and item analysis reporting package. Project manager for the Grading Methodology and the Standard Setting Task Forces.

June, 1990 to August, 1990:

Predoctoral Fellow, Educational Testing Service, Princeton, NJ
Evaluated reading passages associated with the new version of the SAT. Assessed the differential item functioning (bias) of these passages and determined their reliability. All analyses were conducted using item response theory within a testlet framework.

May, 1989 to June, 1990:

Research Supervisor of Testing, Newark Board of Education, Newark, NJ
(Promoted from Senior Research Assistant in January, 1990). Coordinated district-wide testing programs for over 50,000 students, including proficiency, achievement, and bilingual testing. Aided in the selection and placement of students into instructional programs. Analyzed and reported district-wide test results. Ran workshops for high school test administrators. Performed program evaluations of remedial instructional programs. Established longitudinal student data base. Reported and disseminated test results and results of Chapter I program evaluations. Conducted equating studies, established cutoff scores, and performed item analyses for locally-developed tests. Supervised professional and support staff.

April, 1986 to September, 1986:

Residential Counselor, Omni House, Glen Burnie, MD
Residential counselor in psychosocial rehabilitation center for adults with chronic psychiatric disabilities. Organized activities and provided group and individual counseling.

Selected National Commissions, Blue-Ribbon Panels, and Advisory Committees

2004-present	Puerto Rico Technical Advisory Committee (Chair, since 2010)
2004-present	Texas Technical Advisory Committee
2014-present	Educational Records Bureau, Technical Advisory Committee
2017-present	ELPA21 Technical Advisory Committee
2018-present	HumRRO Board of Trustees
2018-present	DuoLingo English Test Technical Advisory Committee
2019-present	Maryland Technical Advisory Committee
2010-2017	Florida Alternate Assessment Technical Advisory Committee
2005-2011	National Center on Educational Outcomes, Research-to-Practice Panel
2006-2011	National Alternate Assessment Center, Expert Panel
2006-2010	Psychometric Oversight Committee, American Institute of CPAs
2006-2009	Assessing multiple sources reading comprehension, Advisory Board
2007-2009	Massachusetts Teacher Educator Licensure Pass Rate Study Group
2004-2009	Designing Accessible Reading Assessments Technical Advisory Committee
2004-2009	Partnership for Accessible Reading Assessment Technical Advisory Committee
2003-2009	Graduate Management Admissions Council Technical Advisory Committee
2003-2009	Federation of State Boards of Physical Therapy Technical Advisory Committee

Selected National Commissions, Blue-Ribbon Panels, and Advisory Committees (continued)

2004-2008	New Hampshire Assessment Technical Advisory Committee
2004-2008	New Hampshire Enhanced Assessment Initiative Tech. Advisory Committee
2005-2007 & 2012-2016	National Board of Professional Teaching Standards Assessment Certification Advisory Panel (Chair)
2003-2007	Senior Scientist, The Gallup Organization
2003-2006	Montana Comprehensive Assessment System Technical Advisory Committee
2003-2006	Graduate Records Exam Technical Advisory Committee
2005-2006	Adult ESL Assessment Design Team, Center for Applied Linguistics
2005-2006	Technical Adequacy of Assessments for Alternate Student Populations, WestEd
2002-2004	National Assessment of Educational Progress Quality Assurance Panel
2002-2003	Maine Comprehensive Assessment System Technical Advisory Committee
2003	Committee on Diagnostic Methodology (The College Board)
2001-2002	College Board's Blue Ribbon Panel on the Flagging of Test Scores
2001-2002	Commission on Instructionally Supportive Assessment
2001-2002	Massachusetts Comprehensive Assessment System Blue Ribbon Panel

Selected Awards/Honors

Outstanding Teacher Award, School of Education, University of Massachusetts, 2002-2003
 Chancellor's Award, University of Massachusetts Amherst, 2007
 Fellow, Div. of Evaluation, Measurement, and Statistics, American Psychological Association, 2007
 Fellow, American Educational Research Association, 2009
 Outstanding Accomplishments in Research and Creative Activity, UMass Amherst, 2009
 Thomas Donlon Award for Distinguished Mentoring (Northeastern Educ. Research Assoc.), 2010
 Samuel F. Conti Faculty Fellowship Award, University of Massachusetts Amherst, 2012
 Leo D. Doherty Award for Outstanding Leadership & Service, NE Educ. Research Assoc., 2014
 Public Engagement Fellow, University of Massachusetts, 2016
 Samuel J. Messick Memorial Lecture Award, TOEFL Program, Educational Testing Service, 2017
 Distinguished University Professor, University of Massachusetts, 2017

Selected Funded Research

(PI unless otherwise indicated)

2020 Chan Zuckerberg Initiative, *Improving Educational Measurement Through Diversity* (Co-PI with Jennifer Randall), \$225,000
 2019 WestEd, *Evaluating Interventions for Vulnerable Populations*, \$11,000
 2019 Massachusetts Department of Education: *Developing and Validating Assessments for Adult Learners in Massachusetts* (4 years, approximately \$1,640,000)
 2018 Pearson Education, *Technical Assistance to Support the National Board of Professional Teaching Standards Examinations* (1 year, \$80,000)
 2017 Smarter Balanced Assessment Consortium (Co-PI, (Craig Wells, PI), 1year, \$91,000)
 2017 Pearson Education, *Technical Assistance to Support the National Board of Professional Teaching Standards Examinations* (2 years, \$577,000)
 2016 College Board: *Linking AP Physics and Calculus and TIMSS Advanced Scales* (1 year, \$140,000)
 2015 Massachusetts Department of Education: *Developing and Validating Assessments for Adult Learners in Massachusetts* (4 years, approximately \$1,400,000)
 2015 Educational Testing Service: *Improving Educational Assessment through Psychometric Research* (6 years, Co-PI R. Hambleton, approximately \$1,000,000)
 2012 College Board: *Developing A Measure of Pedagogical Content Knowledge for AP Biology Teachers* (3 years, approximately \$185,000)

Selected Funded Research (continued)

- 2011 Massachusetts Department of Education: *Developing and Validating Assessments for Adult Learners in Massachusetts* (4 years, approximately \$900,000)
- 2010 Measured Progress: *Score Equating and other technical work for the Massachusetts Comprehensive Assessment System* (4 years, Co-PI (R. Hambleton,PI) approximately \$600,00)
- 2010 Educational Testing Service: *Improving Educational Assessment through Psychometric Research* (5 years, Co-PI with R. Hambleton, approximately \$1,200,000)
- 2010 World Bank, *Developing a World Class Master's Degree Program in Educational and Psychological Measurement at the Higher School of Economics (Moscow)* (Co-PI R. Hambleton, approx \$90,000)
- 2009 Pearson Educational Measurement: *Enhancing the Validity of Educational Achievement Tests* (5 years, Co-PI J. Randall, approximately \$400,000)
- 2008 American Institute of Certified Public Accountants: *Standard Setting Research for the Uniform CPA Exam* (Co-PI R. Hambleton, approximately \$45,000)
- 2007 Massachusetts Department of Education: *Developing and Validating Assessments for Adult Learners in Massachusetts* (4 years, approximately \$1,400,000)
- 2007 College Board: *Calibrating IRT Item Statistics & Equating AP Tests* (2 years, Co-PI R. Hambleton, approximately \$250,000)
- 2007 Pearson Educational Measurement: *Enhancing the Validity of Educational Achievement Tests* (Co-PI R. Hambleton, approximately \$52,000)
- 2007 National Science Foundation: *Electronic Delivery and Criterion-referencing of Assessment Materials for Chemistry* (2 years, Co-PIs D. Hart, S. Battisti, approximately \$58,000 for CEA)
- 2006 College Board: *Identifying Key Characteristics of Public Postsecondary Institutions Fostering Success for Under-Represented Students* (Co PI K. O'Meara, approximately \$180,000)
- 2005 U.S Department of Education: *Comprehensive Evaluation of NAEP* (3-year subcontract through Buros/University of Nebraska, approximately \$600,000)
- 2003 Massachusetts Department of Education: *Designing Quality Program Monitoring and Evaluation Systems for Massachusetts Adult and Community Learning Services* (5 years, approximately \$1,000,000)
- 2003 All Kinds of Minds of Minds Institute: *Evaluating Student Achievement* (Co-PI Lisa Keller, approximately \$320,000)
- 2001 Educational Testing Service: *Applying/Evaluating Emerging Measurement Models* (Co-PIs R. Hambleton & H. Swaminathan, approximately \$100,000)
- 2001 Evaluation of STEMTEC Program (co-evaluator for NSF-funded grant)
- 2002 Evaluation of STEMTEC-II Program (co-evaluator for NSF-funded grant)
- 1999 American Institute of Certified Public Accountants: *Psychometric research for the Uniform Certified Public Accountants Examination* (5 years, \$240,000)
- 1999 Microsoft Corporation: *Develop and evaluate computerized-adaptive test algorithms and item cloning techniques* (2 years, Co-PI R. Hambleton, approximately \$280,000)
- 1999 The College Board: *Research alternative designs for setting standards on AP examinations.*
- 1998 Massachusetts Department of Education: *Psychometric properties of MCAS exams* (Co-PIs R. Hambleton, H. Swaminathan, approximately \$150,000)
- 1997: Microsoft Corporation: *Study of Computerized-adaptive Test Algorithms and Translation Equivalence of Microsoft exams* (Co-PI R. Hambleton, approximately \$180,000)
- 1996: Novell, Inc.: *Investigate comparability of computer examinations across multiple languages* (approximately, \$18,000)
