**Subject:** December and January DRC

Hello DRC Members,

We are not going to be meeting in December for DRC. The date was scheduled for the 21<sup>st</sup>, and that is a really bad date to try and get availability from both the public, applicants, and the DRC members (I think Chris Poirier already mentioned he would be unavailable). We also have a couple of cases out there, but I don't think either is really ready to be going on this hearing date anyways. I will keep everyone updated on if we can take anything to DRC in January. Also, please let me know what your availability looks like for the January 18 hearing (remember to please not reply all to this email).

Thanks and happy holidays,
