Yep, working on it. We keep getting more letters so I'll add those in as well. At this point should I just wait til close to the end of the day to combine them all?

Spencer,
Thanks, these look fine. I am needing the protests/support letters combined as discussed in my last email to get them uploaded.

Terri,

I have some documents to get posted to the website. I have the agenda for the 1/18/24 DRC hearing, with case info for case P23VA00034, as well as the decision memo from the last hearing all attached.

Let me know what I've missed or done wrong.....
Thank you,
