AVERY FOUNDATION

Helping cancer patients in the Tri-States with the unexpected expenses during treatments for cancer.

In memory of James and Julie Avery

This Foundation was established to honor the memories of our beloved brother and sister by helping cancer patients in need. James D. Avery was born on April 4, 1956 to Harvey and Mary Avery of Dubuque. In January of 2014 he was diagnosed with stage 4 colon cancer. At the time the cancer had already spread to the rectum, liver and bones. Jim battled this cancer with great courage and determination until he passed away on December 5, 2015. Julie was born on June 9, 1961 to Harvey and Mary. She was diagnosed with fibrosis sarcoma in June of 1981 and had her leg amputated. She battled with the cancer with courage and care for her family until August 27, 1982 when she passed away peacefully.

How we can help!

The Avery Foundation will help patients and their families with the unexpected expenses of travel, meals and lodging during their treatments out of town or patients traveling into Dubuque for treatments. For example: If your physician refers you to the Mayo Clinic in Rochester, Minnesota we would help pay for fuel, meals while there and your lodging. Receipts must be kept for meals and lodging and sent in with the Grant Application. We would also help if a patient is traveling into Dubuque from Galena with their fuel and meals. These expenses add undo stress into an already stressful time for you. That is why we are here. To relieve some of that stress and let you concentrate all your bodily resources to the battle at hand.

How we pay on the Grants

- Mileage is paid at \$0.45 per mile based on mapquest from patient's home to cancer center.
- Hotel stays will be paid up to \$75 a night.
- Meals will be paid up to the following; breakfast \$7, lunch \$10 and dinner \$15.
