2023-24

Biography

- **Not** a politician, **no** party affiliation
- Raised in rural Saskatchewan
- A rocket scientist by training
- 20+ years developing/reviewing systems
- Recognized for scoring highest in the world (tie) on the 2017 CISA exam
- Served on the Board of Directors for the Regina Montessori School
- Active local badminton player
- Volunteer with ISACA (global)

I am running to:

- Diversify government finances and change how government funds programs, enabling investment in climate change, security, healthcare and education
- Provide a strong, competent voice on cybersecurity and technology
- Encourage ordinary citizen's involvement in shaping our future
