Grade Point Average

Evaluation for Bright Futures includes an unrounded, weighted high school Grade Point Average (GPA) (calculated to two decimal places) in the 16 college-preparatory credits.

The following courses are weighted .25 per semester course or .50 per year course in calculation of the GPA:

College Entrance Exams (ACT/SAT)

Students must meet the requirements outlined in statute for either the SAT or ACT.

Per s. 1009.531(6)(c), Florida Statutes, the department shall develop a method for determining the required examination scores which incorporates all of the following:

- b) FMS scholars – 75th national percentile
- c) Scores must be concordant between ACT and SAT
- d) Publish scores for the rising junior class each year.

College Entrance Exams (ACT/SAT)

Tests taken through June 30 of high school graduation year are accepted for evaluation purposes.

Students will be evaluated based on official test scores from the Florida Department of Education (FDOE) repository. To ensure OSFA obtains official test scores:

- Ensure demographics on test registration and high school transcript match; and
- Request official test scores be sent to one of Florida's state universities, when registering for the ACT/SAT, even if the student plans to attend an institution which is not a state university.

Service Hours

- Each district school board and the administration of a nonpublic school must establish approved activities, the process for documentation of service hours and the established deadline to complete and turn in service hours.
- Total service hours completed must be reflected on student transcript submission to OSFA.

Other Ways to Qualify

Students who have demonstrated academic merit through a recognition program may be eligible for Bright Futures without having to meet one or more of the requirements.
