Section 2 – About this application

Society name	Dobcross Village Society Limited
Register number	9169

Section 3 – New financial year-end

3.1 Will this change shorten or extend your current financial year?

Shorten ☐ Please go to question 3.3 below

Extend ☒ Please go to question 3.2 below

3.2 Have you extended your financial year any time within the last five years? A society cannot extend its financial year if it has already extended its financial year any time within the last five years.

Yes ☐

No ☒

Please also note that you cannot extend your financial year to such an extent that your financial year would last longer than 18 months.

3.3 On what day and month do you want your financial year to end?

For example: specifying 31 March below will mean that the society's current and future financial years will begin on 1 April and end on 31 March each year.

3	1	March
---	---	-------

3.4 What is the reason for the change?

The shop only started trading on the 6th April 2024. If the financial year ends in September there would be less than 6 months trading figures. It would also align with most businesses year end.
