Section A - Family Medical Leave Act of 1993

The employer will provide covered employees up to twelve (12) weeks of unpaid job protected leave for certain family and medical reasons. Employees who have worked for the employer for at least twelve (12) months and for 1,250 hours over the previous twelve (12) months of employment are eligible. Leaves in excess of twelve (12) weeks may be granted within the discretion of the employer. In all respects, leaves of absence under this policy shall be administered and provided for in a manner consistent with the Family and Medical Leave Act of 1993 and its published regulations.

1. Purpose of Leave

Unpaid leave maybe granted for any of the following reasons:

- a. Up to twelve (12) weeks, to care for the employee's child after birth or placement for adoption or foster care;

When not foreseeable, employees are required to provide notice of the need for leave as soon as practicable. When leave is needed for planned medical treatment, employees must attempt to schedule treatment so as not to unduly disrupt employer operations. Failure to provide appropriate notice may result in the denial of leave.

Leave for a newborn or newly placed child may be taken only within twelve (12) months from the date of birth or placement and may only be taken continuously.

When medically necessary, leave to care for a family member or for the employee's own serious health condition may be taken on an intermittent or a reduction work schedule basis. All time taken will count toward the employee's twelve (12) week annual entitlement for family and medical leave.

The employer will require medical certification to support a request for a leave because of a serious health condition and may require second or third opinions (at employer's expense)

and a fitness for duty report to return to work. The medical certification must include the first anticipated date of absence from service to the employer and the expected date of return. The medical certification to support a leave for family medical reasons must include a statement indicating that the employee's presence is necessary or would be beneficial for the care of the family member and the period of time care is needed or the employee's presence would be beneficial.

When leave is required for a serious health condition, employees will normally be given fifteen (15) calendar days to obtain the necessary medical certifications to support the leave. Employees will be required, unless the employer waives the requirement, to recertify the need for the leave at least every thirty (30) days and must report in on a periodic basis no less often than every two (2) weeks with respect to their progress, the progress of their parent, spouse or child, and their anticipated date for return to work.

3. Wages and Benefits

Leave will be unpaid except as covered by earned sick leave, vacation time and/or any short term/long term disability insurance.

For the duration of the leave required under this policy, the employer will maintain the employee's health coverage under any group health plan. Any employee contributions to the health plan must be maintained during the leave to maintain coverage. Employees who fail to return from a leave will be obligated to reimburse the employer for the cost of employer paid health coverage, except when the employee's failure to return is due to the continuation, recurrence or onset of a serious health condition which would entitle the employee to medical or family leave or other circumstances beyond the employee's control.

In the event an employee suffers an illness or injury necessitating extended absence from work, the District may continue to provide medical insurance beyond the exhaustion of sick and family medical leave. Decision to continue such insurance premium payments shall be based on length of service, absence record and work record. The maximum length of extended payment shall be twelve (12) months beyond the exhaustion of sick leave. A committee of two (2) employees appointed by the Association and two (2) administrators appointed by the District shall review requests for such extended coverage on a case-by-case basis and make recommendations to the Director of the Department of Human Resources. The decision of the Director of Human Resources shall be final. The criteria used for determining extended coverage shall be consistently applied.

4. Return to Work

Upon return from a leave, employees will be restored to their original or equivalent position with equivalent pay, benefits, and other employment terms. Such facilities shall not be available to students.

Section C - Parking

Reasonable and safe accommodation shall be maintained for employees to allow off-street parking at every facility.

Section D - Medical Testing

The District shall provide, at no cost to the employee, all medical testing, and examinations when the District requires the medical test or examination.

ARTICLE XIV - SEPARATION AND SAVINGS CLAUSE

If any provision of this Agreement or any application of the Agreement to any employee or group of employees shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect. In the event any provision is found contrary to law, such provision shall be subject to renegotiations if permitted by law between the parties.

ARTICLE XV- DURATION OF AGREEMENT

Section A - Self-Reporting Arraignment

Pursuant to 2005 Public Acts 129-131 and 138, all employees shall self-report to the District and the Michigan Department of Education (MDE) when arraigned/charged and/or convicted with certain identified crimes. Within three (3) business days of arraignment, the employee must report the arraignment/charge and/or conviction to the Superintendent, or the employee may be found guilty of an additional crime. The reportable crimes are listed online with the Michigan Department of Education and in Appendix C. A copy of the "Arraignment Disclosure Form" follows Appendix D.

Section B - Emergency Manager

If an emergency manager is appointed by the State under PA 4 of 2011 (Fiscal Accountability Act), the emergency manager may reject, modify, or terminate the Collective Bargaining Agreement in accordance with law. This clause is included in this Agreement because it is legally required by State law and not as a result by agreement of the parties.

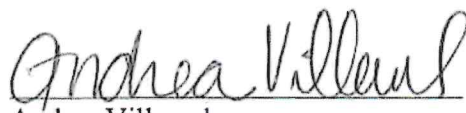

After the expiration date of this collective bargaining agreement and until a successor collective bargaining agreement is fully ratified and fully executed, the District shall not pay compensation, wages, and benefits (including but not limited to all insurance benefits and any advancement on the salary schedule) than those in effect on the expiration date of this collective bargaining agreement. The District is authorized to make any necessary payroll deductions to pay the increased costs of maintaining benefits until a successor collective bargaining agreement is ratified and executed. Any retroactive compensation or benefit levels or amounts will not be automatic, but they will be subject to collective bargaining negotiations.

CHAPTER 2: BUS DRIVER UNIQUE PROVISIONS RIDER

ARTICLE I - DRIVERS MUTUAL CONCERNS

Section A - Mutual Concerns

The Parties agree to meet no less often than one (1) time per month to discuss mutual concerns not directly related to contract negotiations or pending grievances. Each August, meeting dates will be scheduled for that school year. The Schedule will be subject to change upon agreement of the parties. The Parties acknowledge that this committee will include representatives of the Association and Employer but that no matter which may require a change in the Agreement may be approved by the committee without the approval of the bargaining unit.

ARTICLE II - DRIVER UNION STEWARDS

The Union assures that it will maintain a minimum of five (5) stewards and shall inform the District of who they are.

In matters involving discipline, the supervisor will inform the driver of their rights to be represented by a Union Representative; the meeting will not occur until a Union Representative is available. The employee may refuse Union representation by acknowledging such in writing.

When ten (10) or more summer assignments will be filled during the summer work period, at least one (1) of such position shall be awarded to a Union Representative, who will normally be the Senior Representative, unless none of the designated Union Representatives desires to work during the summer work period. The Representative shall be given only such extra seniority to allow they/them to accept the last available assignment. During the May Mutual Concerns meeting, it will be determined if there will be a representative/representatives with enough seniority to bid on a summer route or if it will be necessary to grant a representative extra seniority.

ARTICLE III - DISTRICT RIGHTS

The District's right to reprimand, suspend and discharge employees for just cause and to ensure safe operations includes the right to implement and administer reasonable rules, regulations, and policies. The Board shall have the right to make rules and regulations not in conflict with this Agreement as it may from time to time deem best for the purpose of maintaining order, safety, security, efficient and/or effective operations. This shall include the right to modify and enforce rules governing regulation and testing for substance use, provided however, such rules shall not be broader in scope than those required or allowed governing other transportation employees subject to U.S. Department of Transportation regulations. The Board shall make the Employees and the Union aware of new or modified rules and regulations prior to implementation. All Employees shall be required to adhere to the general policies of the Board and shall observe and obey all rules and regulations of the Board. The rules and regulations shall not limit the Board's right to discipline or discharge Employees under appropriate circumstances whether or not the cause for such action is addressed in said rules. Such discipline may be challenged through the grievance procedure.

Section A - Subcontracting

Subcontracting: The Board reserves the right to subcontract whenever such subcontracted services will provide more efficient services to the City of Kalamazoo School District.

ARTICLE IV - SYSTEM FOR PROGRESSIVE DISCIPLINE/PERFORMANCE IMPROVEMENT

Section A - Work Rules

Board Rules and Regulations. Drivers are expected to comply with the rules found in the KPS Department of Transportation Training Manual. The provisions of the Manual shall not be inconsistent with the provisions of the Master Agreement.

Section B - Driver Discipline

Driver Discipline. No driver shall be disciplined, reprimanded, or reduced in compensation without just cause. Any disciplinary action shall be handled in a professional manner and in private. The driver is entitled to, upon request, Union representation at each step. Any disciplinary action may be challenged through the Grievance Procedure found in Article 6 of the Master Agreement between the parties.

The employer has seven (7) workdays after they have knowledge or reasonably should have known of a violation or misapplication of any act that warrants disciplinary action to notify driver of potential disciplinary action.

It is agreed that there may be situations where an investigation after the initial meeting with the driver may require more than seven (7) workdays, in such situations the administration can request an extension to complete their investigation to determine whether disciplinary action will be taken.

Section C - Progressive Discipline

System For Progressive Discipline/Performance Improvement. The progressive discipline steps will be followed unless the seriousness of the violation or indication of unprofessional performance, such as illegal, unsafe, gross, or immoral activity, warrants stronger disciplinary action on the first occasion. Multiple unrelated offenses over a short period of time may also justify disciplinary action at a different step. The guiding concern for this process, where applicable, shall be the safety and welfare of KPS students.

Step 1 - First Offense or Indication of Unsatisfactory Performance.

The driver will have a conference with Management about the problem in question. If an oral reprimand is issued, the issuing supervisor will make a note to the employee's file as to the date, the infraction, the circumstance, and the parties present at the disciplinary notification. The driver will be provided a copy of this record.

An oral reprimand has an active file life of six (6) months.

Step 2 - Second Offense or Indication of Unsatisfactory Performance.

The driver will have a conference with Management about the problem in question. A written reprimand about the unsatisfactory performance will be placed in the driver's file. Employee and Union Representative will sign the written reprimand document to acknowledge receipt of the notification, not as an admission of an infraction.

A written reprimand has an active file life of nine (9) months.

Step 3 - Third Offense or Indication of Unsatisfactory Performance.

The driver will have a conference with Management about the problem in question. A written reprimand about the unsatisfactory performance will be placed in the driver's file. The driver may also be subject to suspension, with or without pay.

Step 4 - Fourth Offense or Indication of Unsatisfactory Performance.

The driver will have a conference with Management about the problem in question. A written reprimand about the unsatisfactory performance will be placed in the driver's file. The driver will also lose their bid route and be placed as a substitute driver.

Step 5 - Future Offense or Indication of Unsatisfactory Performance.

The driver is subject to any of the above as well as termination of employment or transferred to limited service status.

A list of highly serious offenses which may result in termination as follows:

1. Testing positive for drugs or alcohol. Refusing to take any test is equivalent to a positive result.
2. Leaving a student unattended on a bus after completing an assignment.
3. Assault, threat of assault, or verbal abuse of any person in the school community.
4. Submitting false information on pre-trip vehicle inspections, payroll records, collision reports, or other official documents. Failing or refusing to report about vehicle collisions or any personal injury event is equivalent to submitting false information.
5. Theft or destruction of others' property.
6. Conviction of a felony.
7. Disabling, disconnecting, or bypassing any operation system, piece of equipment, or safety feature on a pupil transportation vehicle.

8. Carrying or transporting a weapon of any kind while on duty or on KPS property.
9. Violation of Michigan's Corporal Punishment and Seclusion and Restraint statutes and any violated policies or administrative guidelines.
10. Violation of the District's Harassment Policies.
11. Any act that endangers or threatens imminent danger to students, KPS staff, or the general public.

ARTICLE V - SENIORITY

Section A - Definition of Driver Seniority

Seniority is defined as the driver's length of employment by the District in this unit since their last date of hire subject to the other provisions of this Article. Seniority shall be utilized solely for those purposes and to the extent specifically authorized by other provisions of this Agreement. Date of hire is the date trainees receive their Commercial License Permit (CLP). If a new driver has a current CDL, seniority date will be the first date of training.

Section B - Probationary Drivers

When a new employee is hired, they will be a probationary employee for the first ninety (90) days of employment, exclusive of the time between the last scheduled day in June and the first scheduled day in August. A probationary employee will have no seniority rights, but when such rights are acquired, service will date back to the last date of employment. The District may terminate the employment of a probationary employee at any time with or without cause or notice and such action shall not be subject to review in the grievance/arbitration procedures.

In the event that more than one individual has the same first day of work, the relative place of such persons on the seniority list shall be determined by a drawing of lots participated in by all affected bargaining unit members and a Union Representative.

Section C - Driver Loss of Seniority:

An employee's seniority will terminate for any of the following reasons:

1. If the employee quits or retires.
2. If the employee is discharged for just cause and the discharge is not reversed through the grievance procedure.
3. An employee who has been laid off and fails to report within five (5) working days after being notified to return to work, or after being recalled by registered mail or certified mail at their last address on record. It is the employee's duty to notify the Board's personnel office of any change of address.

Bus Drivers Rider

4. If the employee is absent from work for three (3) consecutive working days without properly notifying the Executive Supervisor, Dispatcher, or Scheduler.
5. If the employee does not return to work on the required date following a leave of absence, unless excused in writing by the Executive Supervisor or the Director of Human Resources.
6. If the employee is laid off or on leave of absence for any reason, other than workers' disability compensation leave, for a period equal to the length of the employee's seniority at the time their layoff or leave began or one year, whichever is less.

Section D - Driver Layoff and Recall:

1. In reducing the work force because of lack of work, or other legitimate cause, the last employee hired shall be the first employee laid off, and the last employee laid off shall be the first employee rehired within the bargaining unit, providing that the remaining employees are qualified and able to perform the remaining work after a layoff and the eligible employee is qualified and able to do the available work in a recall. If not, seniority will be a secondary factor only as necessary to secure a qualified employee.
2. In the event of a recall from layoff, an employee so recalled shall be given five (5) working days' notice of recall to work, mailed to their last known address by certified letter, return receipt requested. In the event the employee fails to make themselves available for work at the end of said five (5) working days, they shall lose all seniority rights under this Agreement and shall be considered a voluntary quit.

Section E - Return to the Unit

Drivers who have terminated their bus driver position and return as a KPS driver will be placed at the end of the seniority list but will be paid at the step/pay they were at when they left. Drivers returning after more than a six-month absence will have their no-fault points start at +2 points like any new hire (See Appendix B). Drivers returning after less than a six-month absence will have their no-fault points start at the level of when the driver terminated.

Section F - Limited Service and Call in Employees

The District may employ individuals who may be available for assignments only during some hours of the day. These individuals will not have any seniority rights under the agreement, will not be subject to any work assignment or minimum hour guarantees in this Agreement and shall not qualify for any benefit provided in this Agreement. Said employees may only be utilized as fill-in for absent employees or to perform extra assignments when no regular employee is available, qualified, and interested in the assignment. Those employees, if scheduled, will only be assigned to an A.M. or P.M. component of the base assignment.

The District may also employ individuals who are called in to work when needed. Said employees may only be utilized as fill-in for absent employees or to perform extra assignments when no

regular employee is available, qualified, and interested in the assignment. These individuals will not have any seniority rights under the agreement, will not be subject to any work assignment or minimum hour guarantees in this agreement, and shall not qualify for any benefit provided in this agreement.

An employee hired as a limited-service driver will have the right to move into any open regular route which is unfilled by a regular or substitute driver, after the regular bid procedure by claiming that assignment.

No limited service or call-in employee shall be allowed to work any assignment other than base am and pm assignments (including early dismissal on half days). Limited service or call-in employees may drive an after-school program assignment if no other drivers have volunteered to drive.

The Board shall continue its practice of employing casual and call-in drivers to perform fill-in work, provided however, these employees will not be assigned to routes which would lead to the layoff of seniority drivers and such drivers shall not hold a bid route which can be filled with a current seniority driver. Such casual and call-in employees are not part of this Agreement.

The District maintains the right to hire regular employees who are used for fill-in work and who are part of the unit and covered by the seniority provision of the Agreement.

ARTICLE VI - SCHEDULING

Section A - Introduction

The parties recognize that the Board retains the right to establish, alter and amend all transportation routes and schedules and to add runs, routes, or special trips as it sees fit to provide for the efficient and complete satisfaction of all transportation needs. The parties further recognize that the drivers have an interest in selecting available assignments in a fair and predictable manner. This article is intended to provide a method to secure fair selection of driving assignments.

Section B - Definitions

The following definitions shall be used in composing and assigning driving opportunities:

- “Route Note” A notification that a rider has been assigned to any run. An adult employee who is on the bus to assist with monitoring and managing student behavior.
- “Rider” A non-bargaining unit employee who is on the bus to assist with monitoring and managing student behavior or monitoring a student with a medical condition.
- “Route” An established schedule and combination of runs which begin and end at the transportation yard.
- “Run” An established schedule and path which may be either:
- Pick-up or return home schedule for students of a particular school;

Bus Drivers Rider

- Shuttle for students between school buildings or other facilities during their school day;
- Travel to and from transportation yard or between runs defined above in (a) or (b); and
- Transporting students home from an after-school program.

“Base

Assignment” An established schedule and combination of routes, normally a morning route and afternoon route, which form the basic workday for each regularly assigned driver.

“Noon

Assignment” An established route which begins after 10:00 a.m. and prior to 1:00 p.m. and which is not coupled with a morning or afternoon route.

“Summer

Assignment” An established schedule and combination of routes to be available during the summer school work period.

“Field Trip” An irregular or one time route which includes but is not limited to approved field trips, athletic events, and special events. These trips will be scheduled with the Transportation Department and awarded in accordance with this agreement.

“Emergency Field Trip” A field trip that was not filled using the original posting or appeared after the original posting and more than four (4) hours prior to the trip.

“Unanticipated Run” Any request for transportation services which provides less than four (4) hours’ notice to the Transportation office.

Section C - Work Assignment Provisions:

1. Annual Base Route Assignments.

Drivers shall be assigned the same base route which they were assigned the previous school year. If the base route is eliminated and no longer exists, the least senior driver with a bid route shall become a substitute until such time as the employee successfully bids on another base route. Route notes on the route copy will notify drivers that a rider is assigned to the bus. This note will specify if there is a student that requires a rider due to a requirement of their IEP. Other riders may be assigned but are not required.

2. Shuttle Assignments.

Shuttles will be distributed in seniority order to drivers who have less than eight (8) hours in their route and are able to fit the shuttle in with their base assignment. When filling open shuttles and noon runs each day, shuttles and noon runs from different routes will not be combined unless there are insufficient number of drivers to fill the vacancies.

3. Bidding:

1. The bidding procedures which follow in this Section are not used to provide fill-in for routes which are open due to the absence of the driver who normally holds the assignment. These routes will be filled on a daily fill-in basis by assignment in the following order:
 - (i) regular drivers not scheduled to work during the time needed to cover the available assignment;
 - (ii) substitute drivers;
 - (iii) limited service employees;
 - (iv) call-in drivers.

4. Bidding In The Event of Redistricting:

1. In the event the Board of Education approves a redistricting plan which has the effect of changing substantially all or a majority of the base assignment routes now in place, the entire route assignment structure will be rebid. In that event the schedule of all base assignments for the regular school period will be published by the Monday before the school year begins. Each driver will be offered the right, in seniority order, to select from the base assignments available at the time of their bid opportunity. That assignment will become the individual's bid assignment.
2. Drivers who do not secure a bid assignment from this process shall, in seniority order, become substitute drivers.

5. Noon Assignment Bidding:

1. Drivers requesting a noon assignment during the regular school period shall advise the Transportation Office of that request by the Tuesday before school begins each year. Drivers will be assigned a noon assignment on the first day of the school year.
2. Effective with the 2025-2026 school year, a noon run sign up sheet for the following school year will be posted one (1) week prior to the end of the current school year. Drivers interested in driving a noon run beginning with the first day of school must complete the sign-up sheet to be considered. Noon runs will be assigned in seniority order prior to the first day of school. Drivers will hold that noon assignment until the October bidding meeting.
3. A list of biddable noon assignments will be posted on or before the second Monday in October and will state the date and time that bidding is to occur. The time for bidding shall be at least 48 hours after the notice is posted. Drivers shall bid individually in a private area. A Union Representative may be present. Thereafter, each driver will be offered the right, in seniority order, to select from the available noon assignments which do not conflict with their base assignments. No driver shall be allowed to bid for a noon assignment which, when combined with their base assignment, will create an

overtime work schedule unless no other noon schedule is available which can be performed without overtime.

4. Noon runs that materialize after the October bid meeting shall be posted for bid. The run will be awarded to the most senior bidder whose base assignment does not conflict with this noon assignment and the noon assignment will not create an overtime work schedule for the bidder.
5. Noon runs held by bid drivers that need to be covered will be awarded to drivers in seniority order per the daily noon signup sheet provided by management; this includes one (1) stand-by driver per day.

In the event of an emergency, one (1) verified call will be made to the next senior driver on the initial noon signup sheet.

6. Any runs which are generated from an after-school program shall be bid and awarded to the most senior driver whose base assignment does not conflict with the after-school program. Drivers assigned an after-school program will be paid based on route time or actual time, whichever is greater.
7. In the event a new after school program is implemented that requires significant numbers or buses, the parties will meet to revise this section to allow enough drivers to cover the routes.
8. Only regular non-probationary drivers who are at zero (0) or above in the no-fault attendance policy shall be eligible to bid on base assignments, noon assignments or after school programs.
9. **Field Trip Bidding:** Field Trips shall be made available on a rotating basis to all regular, eligible non-probationary drivers, who hold a regular bid work assignment, excluding call-in and limited-service drivers. Field trips shall be made available to all experienced subs. The following steps will be followed to award field trips:

Regular Field Trips

1. The absolute seniority among drivers shall prevail when drivers with higher and lower seniority are eligible to bid for the same field trip.
2. All regular non-probationary drivers who are at zero or above in the No-Fault Attendance Policy shall be eligible to bid on field trips. (Eligibility is based upon the driver's no-fault status on the day the field trip is bid.)
3. A list of all known field trips will be posted by 8:00 a.m. on the third day prior to the trip, along with a list of the drivers who are eligible to bid on the trips. (Wednesday will be the appropriate day for Saturday, Sunday, and Monday trips as a single unit.)

Bus Drivers Rider

If the driver is ill on the day their name is posted, the dispatcher will make one verified call to that person by phone at the contact number on file. The driver must respond by 6:00 p.m. the same day and dispatch will complete the bid sheet for them. If the driver cannot be reached or does not respond by the deadline, that driver will be passed over.

4. Each driver bidding on a field trip shall, by 6:00 p.m. on the day of the posting, submit a preference list for the available assignments. Assignment(s) will be made in seniority order with trips being awarded based on the bidders' preference.
5. Drivers who choose not to bid on a posted assignment shall be passed on the appropriate rotation list as though they performed the assignment.
6. Field Trips not known prior to the posting deadline (8:00 a.m.) or not filled by the above procedure because an eligible driver does not submit a bid will be posted as an emergency field trip.
7. A driver whose name appears at the top of both the regular and emergency lists at the same time must elect the assignment the driver prefers in the event of a time conflict. Drivers must respond in accordance with the posting deadlines.
8. A list of awarded trips will be posted by 8:00 a.m. the day prior to the trip.
9. During winter break and spring break the rotation list will go back to the top until regular school begins. Then it will resume where it was before the break. This separate list will be used for all assignments which begin after midnight on the last day of work prior to the break. A posting of all known assignments to be available during the break period will be put up at 8:00 a.m. on the second day prior to the first day of the break period.

For summer, the regular list ends at midnight Friday of the last week of school and all summer drivers are eligible to bid on trips that occur after that time.

The rotation list goes back to the top. Summer drivers will be eligible to bid until the last day of their summer assignment.

10. When a regular field trip is posted, the successful bidder shall be guaranteed two (2) hours pay. The guarantee may be for two consecutive hours or split as a take and return with each portion as a one hour minimum for a total of two hours.
11. Ending times will be posted when that information is available to Transportation, however, ending times are not guaranteed and pay will be for actual time worked or the 2-hour guarantee, whichever is greater.
12. Times are subject to change depending on customer demand. When bidding on a trip, driver is expected to complete the trip.

13. If there is a change in starting time of more than 30 minutes after the original trip has been bid and received and the driver is unable to accommodate the new time, the driver will immediately notify dispatch and the driver will then be owed a field trip and the trip will become an emergency trip and awarded as such.
14. If an awarded trip is canceled before the driver reports for the trip, the driver will be eligible to bid the next available posting in order of seniority. If the driver reports for an awarded trip and it is canceled prior to leaving the site, the driver will be paid the guaranteed two (2) hours. The driver will be eligible to bid the next available posting in order of seniority.
15. In a situation where the need for multiple field trip drivers(s) at any one school is lowered after trips have been awarded, the emergency driver(s) with the least seniority shall be the drivers recalled first. If there are no emergency drivers, the least senior regular driver(s) will be recalled.

10. Emergency Field Trips.

1. After regular field trips are assigned, a list of emergency field trips is generated. A list of all known emergency trips will be posted by 5:00 a.m. the day prior to the trip. The dispatcher will put an "emergency trip notification" on the timecard of eligible drivers. Response is due by 7:00 a.m.
2. The eligible drivers then sign the emergency field trip list stating their preference(s) for the trip(s). Drivers may bid on a regular and emergency field trip as long as the two trips do not conflict.
3. The trip(s) are awarded in the order of the emergency list, not seniority order.
4. Eligible drivers who do not state a preference by signing the emergency field trip list shall be passed on the appropriate rotation list as though they performed the assignment.
5. In the event that trips remain to be filled, three (3) verified radio calls will be made in seniority order to all eligible drivers. Drivers reached may choose to switch assignments, even if already assigned a trip, if the two trips are compatible. Drivers who cannot be reached shall be passed over in the appropriate rotation list as though they performed the assignment. Drivers absent from work on the day of the notification will not be contacted.

For emergency field trips which occur during Winter and Spring Break one (1) documented telephone call will be made to the telephone number on record.

6. When an emergency field trip is posted, the successful bidder shall be guaranteed two (2) hours pay. The guarantee may be for two consecutive hours or split as a take and return with each portion as a one hour minimum for a total of two hours.

Bus Drivers Rider

Top of the Document

7. Estimated ending times will be posted when that information is available to Transportation, however, ending times are not guaranteed and pay will be for actual time worked or the 2-hour guarantee, whichever is greater.
8. When extra driver(s) are needed for weekend trips that are requested after 5:00 on Friday, drivers will be contacted in order of the emergency list. If a driver cannot be reached or cannot take the trip, they will remain on the emergency list and eligible for the next emergency trip posted.
9. Times are subject to change depending on customer demand. When bidding on a trip, driver is expected to complete the trip.

If an awarded trip is canceled before the driver reports for the trip, the driver will be eligible to bid the next available posting in order of seniority. If the driver reports for an awarded trip and it is canceled prior to leaving the site, the driver will be paid the guaranteed two (2) hours.

The driver will be eligible to bid the next available posting in order of seniority.

10. In a situation where the need for multiple field trip drivers at any one school is lowered after trips have been awarded, the least senior emergency driver shall be recalled, if applicable.

11. Procedure for filling Unanticipated runs:

An unanticipated run is defined as a trip that is requested or need to be filled after the emergency list is posted.

1. If an emergency trip request is received after posting the list of emergency trips for the following day and prior to 2:30 p.m., the dispatcher will make every attempt to contact the drivers that have signed up for the new trip, starting at the top of the list. If the request is received after 2:30 p.m. or on the day of the request, dispatch will offer the trip to the next person on the emergency list.
2. It is recognized that occasionally a trip will be requested during the work week with no notice, and it will be necessary for dispatch to send the closest available person. When possible, these trips will be filled with the most senior person that has signed up on the "Unanticipated Run List" each day.

12. Summer Assignment Bidding:

1. The list of biddable summer assignments will be posted as soon as possible prior to the end of the regular school year. This list will be posted for forty-eight (48) hours during which time drivers with seniority may bid on these assignments. This posting will include the expected length and duration of each summer assignment.

Experienced Substitutes will bid on summer substitute assignments first in seniority order. If there are remaining substitute assignments, they will then be bid along with other summer routes. Experienced substitutes will receive their experience substitute rate of pay.

The most senior employee bidding will have preference and so on, provided that employee has the current qualifications and ability to do all the required work including special requirements to assist special needs riders on the preferred route.

2. A list of drivers with seniority who requested but did not receive a bid summer assignment shall be maintained. Open assignments, including any daily substitutions during the summer period will be offered to the drivers on that list in seniority order.
3. Only regular non-probationary drivers who are at zero (0) or above in the no-fault attendance policy shall be eligible to bid on summer assignments.
4. During summer recess, field trips will be offered in seniority order to all summer route bid holders. In the event no driver bids on the extra assignment, an emergency list will be used following the same procedure that applies during the regular school year. Should no driver be available from the emergency list, the extra assignment will be assigned in inverse seniority order among the summer route bid holders. The assigned driver shall be allowed to be replaced by another summer route bid holder if this arrangement is mutually agreeable to the assigned driver and the replacing driver and the district.

13. Vacancies:

1. A vacancy is defined as a base assignment, noon assignment or after school program which is not held as a bid assignment by a regular driver.
2. Within five (5) days after the vacancy occurs, the assignment will be posted on the bulletin board. The posting will remain up for two (2) full workdays. All non-probationary drivers whose attendance is at 0 or above are eligible to bid may submit a bid form. If no eligible drivers bid on the assignment, probationary drivers may bid. If no eligible or probationary drivers bid on the assignment, drivers whose attendance is below 0 may bid.

The assignment will be awarded to the most senior driver if all other matters such as ability and qualifications are equal. The successful bidder shall be notified in writing of the selection.

3. The Board reserves the right to hire from the outside providing no driver in the unit bids on a vacancy or there is not a qualified bidder for the job.

14. In the event that a driver decides to give up their bid route, noon run, after school program or summer route, five days written notice must be provided. If notice is less than five days, an absence point will be charged for every two days of notice not given.
15. When a driver has bid and received a bid route, they must complete thirty (30) calendar days in the new assignment prior to bidding on a different route. This provision shall be inclusive of summer assignments no allowing drivers with a bid to change summer routes by bidding within thirty (30) calendar days.
16. When a driver has been absent for more than 90 days within the school year or calendar year, they will retain seniority, however their route will be placed up for bid. When the driver returns to regular service, they will be placed as a substitute until they bid and receive route.

ARTICLE VII - HOURS AND WORK ASSIGNMENTS

Section A -Driver Start Times

The Board shall establish starting time(s) for each employee based on the specific assignment the individual holds or is assigned. Each driver's workday shall begin at the first starting time of each day. Payroll will not alter pay unless evidence that the driver was off duty for the unpaid time has been presented to the driver.

Section B - Pre-Trip Time

The starting time(s) of each route for each driver will normally include a preparation time prior to the initiation of the route. Each driver so assigned shall be responsible to warm the bus as needed and perform other safety, security and preparation work as established by the Board.

Failure to appear on time for this work shall be the same as failure to be on time for any other assignment.

- a. AM - 15 minutes Pre/5 minutes Post
- b. Noon - 10 minutes Pre/5 minutes Post
- c. PM - 15 minutes Pre/5 minutes Post
- d. Lift - 20 minutes Pre/5 minutes Post

Section C - In-Service

The Board has the right to schedule employees to attend in-service training sessions, Monday through Friday during regular work hours. Exceptions are the Eaton Defensive Driving Course and mandated training scheduled by a state, federal, or regulatory agency. The District will provide the Association with a list of new temporary placements on or before the monthly mutual concerns meetings.
 - b. When an employee is assigned substitute work in a higher paying position for more than five (5) consecutive days or more than six (6) days within ten (10) consecutive workdays, the Board agrees to pay the substituting employee the position's range at that employee's step for the duration of the temporary assignment.

Instructional paraprofessionals will be required to be highly qualified. All testing must be completed prior to the interview.

All decisions made by the interview team will be reviewed by Human Resources for compliance with applicable laws. The only decision of an interview team that would be reversed would be when Human Resources determines that the process was not legal. A definitive written ruling would be supplied to KSP and the interview process would be redone. In all other cases, the decision of the interview team would be final.

Section G - Selection of Candidates

Selection decision shall be administered in the following manner:

1. Objective and demonstrable criteria shall be established as stated qualifications for each position.
2. All new employees and employees transferring to another position shall be required to meet the stated qualifications for the positions to which they are assigned.
3. Once an employee has accepted a new position, reasonable efforts shall be made to release the employee from his or her former position within fifteen (15) workdays. Nevertheless, if such release is not made within fifteen (15) workdays, the employee shall be paid at the

Section H - Involuntary Transfer Salary Hold Harmless

When an employee voluntarily transfers to a position of lower classification, appropriate pay adjustment shall be made.

Section I - Administrator Parallel Transfer

When an administrator transfers from one position to another, the employee by mutual agreement with that administrator, and providing that the employee meets the qualifications for the new position, may transfer with that administrator providing the position to which the employee transfers was vacated voluntarily. In such case, posting procedures shall not apply.

Section J - Involuntary Transfer

Involuntary transfers will be minimized and avoided whenever possible.

Section K - Transfer Request Consideration

In the event there are no bargaining unit members on layoff, all bargaining unit members requesting transfers will be considered by the schools. If there are bargaining unit members on layoff status who meet the minimum qualification for an open position, they shall be interviewed by the interview team. If there are no other KSP members seeking an interview who meet the minimum qualifications for the open position, a laid off bargaining unit member shall be recalled to said open position.

In the event vacancies exist that cannot be filled by internal transfer or recall, all laid off bargaining unit members shall be notified of the vacancy so they can apply and be considered for such vacancy.

Section L - Notification of Changes

Section C - Bargaining Unit Seniority

Layoff, leaves of absence and service to the employer outside the bargaining unit shall not constitute a break in service.

1. Displaced employees shall receive a notice from the district clarifying that they will be allowed to fill a position if a vacancy exists and that they must apply for existing vacancy online. If practicable a list of available vacancies shall be included with the notice.
2. A displaced bargaining unit employee shall apply for any vacancy in a manner consistent with Article VIII Section F.
3. If after all displaced employees have been considered for the vacancy they applied for and more than a single bargaining unit employee is still displaced and more than one vacancy exists, the District and the Association President or designee shall conduct a bid meeting no later than the second to the last work day of the impacted classification.

If the employee performs an equal amount of work, the highest classification/range shall be used.
2. Second, if lack of qualification precludes bumping in accordance with (1) above, bumping shall proceed against the least senior employees by successive progression through the lowest classification/range for which the employee is qualified.
3. Third, an employee who is to be laid off, or displaced as a result of bumping automatically must be considered to fill any existing vacancy for the employee's same or lower classification/range, provided the employee is qualified and completes an online application.

4. Fourth, if lack of qualification precludes any of the above, the employee shall be laid off and may apply for unemployment benefits pursuant to the rules of The Unemployment Insurance Agency.

Section J - Eleven Percent Rule

Any employee who has they/their assigned work schedule reduced by at least eleven (11%) percent of they/their scheduled time shall be able to exercise bumping rights to another position pursuant to Section E of this Article. If said employee desires to stay in they/their current position, they/their should indicate such choice to Human Resources in writing.

Section K - Unemployment Reimbursement

In the event that a 10-month bargaining unit member is notified of layoff to be effective after the end of the current school year and such member is subsequently recalled on or before the start of the succeeding school year, the member shall reimburse the District the amount of unemployment compensation benefits paid to that member during the weeks of the intervening summer denial period. Reimbursement shall be accomplished through equal amounts of payroll deductions commencing with the first payroll after recall. Such deductions shall return money to the District in the same manner as the unemployment compensation was received by the employee (*i.e.*, unemployment compensation received over twelve (12) weeks will be reimbursed to the District over twenty-four (24) weeks.)

ARTICLE II - MONTESSORI TEACHING ASSISTANT EMPLOYMENT

Section A - Initial Classifications

Initial classification of a new employee shall be made by the Department of Human Resources.

Section B - Probation Period

1. Upon initial employment, employees shall be designated as probationary employees for a period of three (3) calendar months. Such probationary period shall serve the purpose of determining the employee's work skills and habits. Probationary employees shall not be used as temporary employees. All newly hired probationary employees' names and dates of hire, address and phone numbers will be provided to the KSP Membership Chair and the KSP President within seven (7) days. Upon employment, each employee shall be given a copy of these Articles of Agreement, work rules, written notification of assignment, job description, fringe benefit package, notice of placement on the levels of classification chart, pay, hours and name of immediate administrator.

Probationary employees shall work the contracted work hours and be granted sick leave but shall receive no other contractual benefits or privileges and shall not have the right of arbitration of dismissal. Employees may upon request have union representation during disciplinary investigations, and the first available union representative who been designated by KSP, will be allowed to attend any disciplinary-related meeting.
3. A probationary employee who has successfully completed they/their probationary period shall be recommended to the Board for permanent appointment with full benefits. A probationary employee whose performance has been appraised as unsatisfactory shall be terminated prior to the complete of the employee's probationary period.
4. The probationary period of an employee may be extended for a period not to exceed an additional three (3) months provided the District has given notification of such desire to extend to the employee and to the Association.
5. Seniority shall commence upon date of original hire and shall accumulate only while an employee is an active employee in the bargaining unit.

Section C - Career Employment

1. Employees who successfully complete the probationary period shall be placed on career status.

3. Career employees transferred to a new assignment shall be evaluated for three (3) consecutive months.

Section D - Discipline: Just Cause and Due Process

1. No employee shall be disciplined or discharged without just cause or without due process. The term “discipline” as used in this Agreement includes verbal reprimand, suspension, and discharge, but not discharge of probationary employees. An employee will be provided notice of the complaint or concern and have an opportunity to be heard before any discipline is imposed. The specific grounds for disciplinary action, if any, will be presented to the employee and the Association within five (5) working days of the time the discipline is imposed.
2. Discipline investigation and imposition shall be conducted in private to the extent possible. No corrective or disciplinary meeting shall be held without the District first informing the bargaining unit member of her/his or her right to have an Association representative present.
3. The Association Representative (AR) may notify the Association President whenever a bargaining unit member is subjected to formal disciplinary action.
4. Written reprimands will be given in the form of a formal letter with the full signature of the administrator taking the action. The letter will be delivered only after a meeting has been held at which the employee has had an opportunity to be heard. A written reprimand must indicate that a copy has been forwarded to the employee’s supervisor; a copy will be given to the employee and placed in the employee’s personnel file.
5. Any complaint not called to the attention of the employee may not be used in any disciplinary action against the employee.
6. It is agreed and understood, that under normal circumstances, the following progressive system of discipline shall be followed in disciplining an employee:
 - Step 1. Verbal Reprimand
 - Step 2. Written Reprimand
 - Step 3. Suspension without Pay (may also include additional written reprimand)
 - Step 4. Dismissal

If the employee disagrees with either an observation or the evaluation, they/their may submit a written response which shall be attached to the file copy of the document in question.

Section G - Montessori Training and Other Certification

If selected, the District will pay for the tuition, books, fees, and other required expenses to attend Montessori training. If the employee is a certified teacher, then the employee may interview with the District to be part of the Montessori teacher development program.

 - a. Upon determination that a vacancy exists, the District shall post such vacancy within ten (10) calendar days and communicate the posting on the District's webpage. During the summer, notice of vacancy shall be sent to the president and to all employees who have requested placement on the Notification of Vacancies mailing list. Postings shall state a closing date for submitting applications for transfer. Such closing date shall be fourteen (14) days after publication of posting. Applications may be submitted electronically.

After the posting is closed the District will send an email to the Association President identifying the bargaining unit candidates. The employee shall submit a duplicate form with the employee sending one copy to the Human Resources Department and one copy to the KSP president. Interviews shall be conducted by the Principal with all employees requesting transfer who meet the stated qualifications for a posted position.
 - c. Where qualifications are relatively equal, positions will be awarded on the basis of seniority. No external applicant shall be awarded a vacancy when an internal qualified candidate exists. The award of the vacancy will depend on the Principal's determination.
2. After a vacancy is posted, it shall be filled within ten (10) days provided qualified bargaining unit members apply. If qualified bargaining unit members do not apply, such vacancies may be staffed with a substitute or a temporary employee for a period not to exceed thirty (30) calendar days so the position may be reposted or so that applicants from outside the District may be secured and properly screened.
3. Substitute/Temporary Employees
 - a. A substitute is defined as an individual who is filling an established unit position during a regular employee's leave. A temporary is defined as an individual who performs bargaining unit work on a short-term/as needed basis. Short-term shall be defined as a period no longer than seventy-five (75) workdays after which the position shall be posted. Neither a substitute nor a temporary shall ever be considered a bargaining unit member. Notwithstanding any other provision of this Agreement, the District continues to have the right to utilize outsourcing when, in the judgment of the District, such action is necessary. The District will provide the Association with a list of new temporary placements on or before the monthly mutual concerns meetings.
 - b. When an employee is assigned substitute work in a higher paying position for more than five (5) consecutive days or more than six (6) days within ten (10) consecutive workdays, the Board agrees to pay the substituting employee the position's range at that employee's step for the duration of the temporary assignment.

Nevertheless, if such release is not made within fifteen (15) workdays, the employee shall be paid at the new rate of pay if it is higher than the employee's old rate of pay upon the fifteenth (15th) workday following acceptance of the new position.
3. Applicants not selected shall, at their request, be told why they were unsuccessful in the bid for the position. Applicants who further desire written summary of the reason shall request such summary in writing.

When an employee voluntarily transfers to a position of lower classification, appropriate pay adjustment shall be made.

Section I - Involuntary Transfer

Involuntary transfers will be minimized and avoided whenever possible.

Section J - Transfer Request Consideration

In the event there are no bargaining unit members on layoff, all bargaining unit members requesting transfers, who are qualified and can perform the Montessori Teaching Assistant position in an efficient and effective manner, will be considered. If there are Montessori Teaching

Assistant bargaining unit members on layoff status who meet the minimum qualification for an open position, they shall be interviewed.

Section K - Notification of Changes

ARTICLE IV - LAYOFF AND RECALL

In the event of need for layoffs, the following procedure shall apply:

Section A - Conference

Prior to any layoff, the District shall confer with the Association for the purpose of reviewing the necessity for layoff and securing input on layoff decisions.

Section B - Seniority List

The District shall maintain an updated seniority list on the District Intranet which lists employees by classification seniority, bargaining unit seniority and by KSP seniority. The list shall be updated no later than December 1 and a second time on or before March 1 of each school year.

Section C - Bargaining Unit Seniority

KSP bargaining unit seniority shall be defined as the number of years, months and days served in the bargaining unit regardless of classification, and KSP classification of seniority shall be defined as the number of years, months and days served in a particular KSP classification. KSP seniority shall be residual and cumulative as long as service within the bargaining unit is unbroken. Layoff, leaves of absence, and service to the employer outside the bargaining unit shall not constitute a break in service.

Section D - Vacancies and Layoff

Layoff shall occur when all vacant positions have been filled and there are more members than positions. When this situation occurs, the least senior employee in a particular position will receive a layoff notice, provided the remaining employees are qualified and can perform the work in an efficient and effective manner.

Section E - Bumping Rights

Employees receiving layoff notice shall exercise bumping rights in the following manner by seniority:

1. First, by bumping the least senior person in the same classification who holds a position for which the laid off employee is qualified. Full-time employees who have classification split assignments are not to be excluded from bumping and will be included in the classification wherein the employee performs the greatest amount of work. If the employee performs an equal amount of work, the highest classification shall be used.

2. Second, if lack of qualification precludes bumping in accordance with (1) above, bumping shall proceed consistent with Section D, against the least senior employees by successive progression through the lowest classification/range for which the employee is qualified.
3. Third, if lack of qualification precludes any of the above, the employee shall be laid off and may apply for unemployment benefits pursuant to the rules of The Unemployment Insurance Agency.

Section F - Most Senior Employee

It is the intent of the parties to layoff and recall in a manner which attempts to preserve employment for the most senior employees. In doing so, every effort will be made to place employees in previously held different classification positions.

Section G - Reverse Order Recall

Recall shall be in reverse order from order of layoff, it being the mutual intent of the parties to restore employees to the positions in which they were placed prior to the layoff and in the order in which they were placed.

Section H - Unique Montessori Teaching Assistant Positions

The parties recognize Montessori Teaching Assistant positions are unique, and therefore are exempt from bumping by other KSP bargaining unit classifications.

Section I - Unemployment Reimbursement

In the event that a 10-month bargaining unit member is notified of layoff to be effective after the end of the current school year and such member is subsequently recalled on or before the start of the succeeding school year, the member shall reimburse the District the amount of unemployment compensation benefits paid to that member during the weeks of the intervening summer denial period. Reimbursement shall be accomplished through equal amounts of payroll deductions commencing with the first payroll after recall. Such deductions shall return money to the District in the same manner as the unemployment compensation was received by the employee (*i.e.*, unemployment compensation received over twelve (12) weeks will be reimbursed to the District over twenty-four (24) weeks.)

The training shall be provided by the District, at its expense, and all training time shall be considered as work time.
2. Prior to any employee administering medication to students, written authorization as required by Board policy and Michigan law shall be received by the school and kept on file in the school office.
3. The parties agree that Michigan law currently provides that a school employee designated by the school administrator, who in good faith administers medication to a pupil in the presence of another adult or in an emergency that threatens the life or health of the pupil, pursuant to written permission of the pupil's parent or guardian, and in compliance with the instructions of a physician, physician's assistant, or certified nurse practitioner is not liable in a criminal action or for civil damages as a result of an act or omission in the administration of the medication, except for an act or omission amounting to gross negligence or willful and wanton misconduct. To be valid, the doctor's slip must indicate that the employee was actually examined, evaluated, and treated by the doctor during the absence period, and state the diagnosis and basis for the excuse from work. The slip must be presented to the Transportation Department no later than the first day upon returning to work.

A new employee will begin their career with Kalamazoo Public Schools at a plus two (+2) in Absences and a plus two (+2) in tardies after they have become a licensed to drive school bus driver.

- B. Exceptions.** Absences for any one of the following reasons shall not be considered an absence:
1. Industrial injury certified as requiring time off by the District physician or District's statement that work is not available within the restrictions given by the District physician.
 2. Personal days.
 3. Jury duty or witness leave.
 4. Military duty.
 5. Official Union business, with prior written notification to the District.
 6. Injury or illness requiring hospital confinement of the employee or following outpatient hospital surgery or medical procedures. A valid doctor's excuse stating that the employee was unable to return to work due to outpatient surgery, a medical procedure or was confined to the hospital must be provided to the Transportation Department no later than the first day upon returning to work.
 7. Death in the immediate family for which bereavement pay applied.
 8. Major winter storms when at least fifty percent (50%) of the employees on the shift are unable to report to work.

9. Court appearances as described in Article 13, Section 2.

Any employee who is absent for any one of these reasons, and desires that the absence not be considered as an absence occurrence, must advise the Transportation Department in writing of the reasons for the absence, as soon as possible, but in case later than the first day upon returning to work following such absence. The District retains the right to require proof. If the employee does not advise the District that the employee was absent for one of these eight reasons within that time, the employee's absence will be recorded as an absence occurrence.

- C. **Procedure.** The following action shall be taken when an employee's absences reach the following pre-selected points:
 1. When an employee accumulates two (1) absence occurrences and/or reaches minus one (-1), the employee shall be given a written "Warning".
 3. When an employee accumulates two (2) absence occurrences, and/or reaches minus (-2), the employee shall be given one (1) day disciplinary lay-off.
 4. When an employee accumulates four (4) absence occurrences and/or reaches minus four (-4), the employee shall be discharged or transferred to limited service status.

II. PARTIAL DAY ABSENCE; TARDINESS AND LEAVING WORK

- A. **Basic Policy.** The District will maintain separate records as to the number of instances of tardiness and the number of instances of leaving work by each employee.
 1. **"Tardiness"** is defined as arriving late for the scheduled workday up to one (1) hour after the employee's assigned report time. If an employee is tardy for any reason, the employee will be charged with one (1) tardy occurrence. Tardiness in excess of one (1) hour shall be counted as a full day absence. (All drivers who were charged with a tardy for arriving late at a scheduled stop will be made whole for any discipline associated with being late to a stop)
 2. **"Leaving Work"** is defined as leaving work any time within the workday which results in a loss of up to two (2) hours of assigned work. If an employee leaves work for any reason, the employee will be charged with one (1) leave work occurrence. Leaving work causing a loss in excess of two (2) hours shall be counted as a full day absence. If the employee has not reported for their work assignment (am, pm, after school) the absence shall be counted as a full day absence.
- B. **Exceptions.**
 1. Industrial injury as certified by the District physician as requiring time off, or the District's statement that work is not available within the restrictions given by the District doctor.
 2. Jury duty or witness leave.
 3. Military duty.
 4. Official Union business, with prior written notification to the District.

- C. **Tardiness Procedure.** The following action shall be taken when an employee's tardiness occurrences reach the following pre-selected points. The first two (2) occurrences will be excluded from the computation. After this, the next two (2) will be counted as follows:
1. When an employee accumulates two (2) occurrences of tardiness and/or reaches minus two (-2), the employee shall be given a written "Caution".
 2. When an employee accumulates three (3) occurrences of tardiness and/or reaches minus three (-3), the employee shall be given a written "Warning".
 3. When an employee accumulates four (4) occurrences of tardiness and/or reaches minus four (-4), the employee shall be given a one (1) day disciplinary lay-off.
 4. When an employee accumulates five (5) occurrences of tardiness and/or reaches minus five (-5), the employee shall be given a "Final Warning" and a one (1) day disciplinary lay-off.
 5. When an employee accumulates six (6) occurrences of tardiness and/or reaches minus six (-6), the employee shall be discharged.

III. EARNED CREDITS

An employee may improve the employee attendance record through perfect attendance. For each calendar month attendance period during which an employee is scheduled to and expected to work at least fifteen (15) days during said month and the employee has perfect attendance in all categories, that employee will be given plus one (+1) in each category. That credit will be applied as of the first day of the month following the month in which it was earned to the employee's absence record.

Notwithstanding the above, when an employee has perfect attendance in all categories during the combined months of August and June, that employee will be given plus one (+1) in each category. That credit will be applied as of the first day of the month following the month in which it was earned to the employee's absence record.

The employee will be allowed to accumulate positive credits to a maximum of plus six (+6) at any one time for full day, plus five (+5) for tardiness.

IV. GENERAL RULES AND PROCEDURES

1. This rule operates independent of the benefit provisions of the parties' agreement concerning approval of absences or pay for absences as sick or other time. Qualification for pay or approval under such provisions does not affect the assignment of the absence occurrence under this policy.
2. Any employee who must see a physician or dentist during working hours will not be charged with a Partial Day or Absence Occurrence, provided the employee notifies the Transportation Department one (1) week before the scheduled appointment, in writing, and it is established by the Transportation Department that it was impossible for the employee to get an appointment during non-working hours. Such notification must include the name and telephone number of the physician or dentist.

The employee will present to the Transportation Department, upon their return from the appointment, written confirmation from the doctor's office of the time the appointment was scheduled and the time the appointment ended.

3. If an employee leaves early one day because of illness or non-industrial injury and then continues their absence the following day(s), continuously, the employee will be charged with occurrence(s) only under the Full Day absenteeism plan. In this application, the day of the Leave Early shall count as a day of absence under the Full Day policy.
4. Missing daily overtime previously agreed to or any extra assignments bid for or accepted, will be charged as a "Leave Early" or "Full Day Absence," based upon the hours missed, unless permission has been granted in advance by the District to miss the assignment.
5. Each employee will have the opportunity once each calendar year to declare one (1) day of absence as an emergency which will be excluded from computation under the program, i.e., does not count as an absence and it does not prohibit the earning of a credit for perfect attendance.

Claiming an emergency must be done no later than the first day upon returning to work after the emergency.

If an employee has any additional emergency absences during the calendar year, they will be charged under the Absenteeism Program. The preceding rule will also apply to one (1) tardiness and one (1) leave work emergencies per calendar year.

Emergencies may not be taken the day before or the day after holidays or school vacations unless there is, in the opinion of the Transportation Department, a proven, clear need for the emergency.

6. Nothing contained within this program shall relieve an employee from making proper application for leaves in cases where that is required and does not preclude the District from taking appropriate action against employees who ignore their responsibilities under this portion of the agreement.
7. The definitions of partial day and full day absences are used only to govern the assessment of points under this system. An employee may be denied work for the remainder of a day even if the employee arrives within the "partial day" period if no work is available. For example, if a fill-in driver is assigned a route before the regular driver arrives, one (1) hour after expected, the regular driver would receive a partial day absence but may not be provided work for the remainder of the day.

V. CALL IN

The Attendance Control Policy does not relieve an employee from the requirement to inform the District of their absence.

Employees are responsible for notifying the District prior to the beginning of their work shift. When notifying the District, the employee should indicate the following information: name, expected return date, and name of person calling if other than the employee.

- VI.** Both parties recognize that there are bus drivers that have school or work commitments mid-day between their regular morning and afternoon runs. Although the work of the school bus driver must take precedence over other school or work commitments, on days that there are an adequate number of drivers available to cover early dismissal of school, the District will make every effort to cover the early dismissal for drivers with work or school commitments. Drivers with school or work commitments must notify the dispatcher, in writing, at the beginning of each semester of the nature and time of their school or work commitment. If the dispatcher is able to cover the early dismissal with other drivers, the absence will not be considered an absence under the No Fault Attendance Program. The driver will not be paid for the time they do not work.

It is further recognized that during the week of mandated MME testing and on District-wide half days, it will not be possible to cover early dismissal for any drivers.

- VII.** When a driver reaches +6 in the No Fault Attendance Program, the driver's pay will be increased by \$2.00 per hour. If the driver drops below a +5, the hourly rate will be returned to the regular hourly rate.

- VIII.** Both parties recognize that there are times that a driver with an assigned noon run may need to be absent from their noon run due to illness, an appointment for a family member or other emergency.

Up to two times per year, a driver may miss their noon run, shuttles or other assignment between 9:00 a.m. and 2:00 p.m. due to illness, an appointment for a family member or other emergency provided that it is a regular workday (no half days or testing). The driver will not be charged with an absence occurrence provided that they have notified the dispatcher as soon as possible (for appointments, as soon as the appointment is scheduled) and for illness, no later than the end of the morning run, that they will be absent for their noon run. The driver will not be paid for time not worked and will be expected to drive their morning, afternoon and after-school program runs.
