GRAY FREDERICKSON

OSCAR & EMMY AWARD  
OKLAHOMA HALL OF FAME

Your Honor Señor Intriago,

This letter is in support of Mr. **Roy Hahn's** television project in Ecuador. I have known Mr. Hahn for over thirty years and he is an excellent producer of events. Mr. Hahn and I are partners in a Theme Park Resort in Palm Spring with Heavyweight Champion Mike Tyson. He has produced hundreds of events over the past 25 years for the biggest names in the Resort Casino Business. His clients have been President Donald Trump, Steve and Elaine Wynn, MGM Resorts, Harrahs Resorts and many more including Macau, Costa Rica, Peru, Panama, the Caribbean, Jamaica, Russia and Romania.

For the past 30 years, Mr. Hahn has been associated with an elite group of film and television producers, directors, and songwriters: Albert Ruddy, Leslie Greif, Heidi Markel, Robert Levi, Carol Connors, and myself. They account for several Oscars, Golden Globes, Emmys, and Grammys. Anyone of us would vouch for Mr. Hahn's ability to produce what he presents to a client. Anyone of us have access to the top Studios, Networks, Cable Channels, Netflix, etc. with a movie or television project.

Aside from being a neighbor and partner in Palm Springs, he got his start in 1993 when he published a magazine entitle *Swimsuit Illustrated* and started producing swimsuit beauty pageants. In 1999, he got the attention of Donald Trump after he produced a charity benefit at Trump's Mansion Mar-a-Lago entitled *Ocean Quest* to save the coral reef. Thereafter he went on to produce events for Trump for 10 years in Atlantic City, Palm Beach and Palm Springs.

Over the past five years, he has produced a show for the Travel Channel entitled *Myste Buzzed on Paradise* about a young millennial in search of the best coffee in Latin America, and a Documentary entitled *Children of the Coffee* which was about child labor in Costa Rica and Panama. The latter was premiered at the Palm Springs Film Festival and was schedule to make the rounds in international film festivals until the Covid-19 stopped everything.

Currently, he is working on a television project about Latin America's Travel and Hospitality Reset after the Pandemic. He has a fondness for Latin countries. His initial goal is to showcase 4-5-Star Resorts who have passed through the Pandemic and have developed a good plan for the future.

He is also interested in producing a documentary on the ACHUAR indigenous people of the Ecuador Amazon Rainforest along with award winning Humanitarian Photographer Michele Zousmer and two-time Oscar nominated singer / songwriter Carol Connors.

There is no doubt in my mind that the television show or segment will be directed, shot, edited by top professions in this genre, and be presented to the top distributors in the USA and Latin America.

Please do not hesitate to contact me with further questions.

Respectfully,

A handwritten signature in dark ink, appearing to read 'G. Frederickson', with a long horizontal flourish extending to the right.
