

WELCOME BACK!!

SUMMER BREAK HAS COME TO AN END

SUMMER SHUT DOWN PARTY

On July 18th QVSS held our annual summer shut down party. This year it was decided that we would be doing a western theme.

Mark McDonnell ; the lead singer of Ambush came to our party and sang everyone some great tunes. To top it off, he came as a cowboy! YEEHAW! After his performance, everyone got their chance to have a "meet and greet" and got lucky enough to get some amazing photos with the one and only Mark!

Wait, there's more! Some were surprised that QVSS provided another dunk tank this year. We all know how much fun everyone had last year dunking the staff in the cold water, so we thought why not do it again? First in the dunk tank was Mr. Mike Vajda!!

A special thank you goes out to the staff who made the delicious meal. The menu was swell. Pulled pork on a bun, a big scoop of potato salad and a cold pop. Everyone finished their meal with a big piece of birthday cake! It turned out perfect.

Overall, it was a fantastic way for everyone to be together before we were off on holidays.

GOVERNMENT OF CANADA

In Ontario, ticks are most active during spring and summer, but can be found year round when temperatures are above freezing.

You may be at risk if you live in a wooded area or if you are near grass/bushes, always be mindful that there is the possibility you have a tick on you.

If you find a tick on you, please tell a staff member right away. DO NOT try and pull it off. Ticks have to be removed a certain way.

PLANS FOR THE REST OF SUMMER
