

MEDICAL DEVICES CATALOGUE

We are your reliable partner in supplying and distribution of worldclass bio-medical devices for hospitals and wellness sector.

Product categories :

- **Medical Equipment** - Diagnostic imaging, therapeutic equipment, patient monitoring system, handheld/homecare products that are employed for various purposes such as diagnosis, treatment, monitoring, or prevention of illnesses or injuries.
- **Disposables and Supplies** - Medical disposables and supplies encompass single-use items or materials necessary for healthcare purposes viz. gloves, syringes, blades, lancets, apparels, contact lenses and surgical equipment.
- **Medical Implants** - Devices or tissues inserted into the body to replace or support damaged body parts, augment bodily functions, or deliver medication, joint implants, dental implants, spinal implants, pacing devices, stents, drugs, valves, and cosmetics.

Delivering best quality medical equipment and trusted by millions of medical professionals worldwide

TOTALITARION

We are pleased to introduce our company - Totalitarion, established in 2018 is an ISO 9001:2015 certified organization, having registered offices in Mumbai (INDIA) and Tallinn (ESTONIA), we are a trading company specialize in providing integrated solutions in Product Development, Strategic Global Sourcing & Distribution, International Merchandise Trade, Export/Import, Procurement Outsourcing, Supply Chain Management and Technology services.

“Totalitarion Healthcare aims to strategically evolve to become a leading supplier of Medical Devices and Equipment in global trade combining expertise in international marketing, logistics, financing, risk management and compliance.”

Our Values

Governance

Totalitarion is proud to act as a responsible corporate entity in its business activities, embracing innovation and creating a culture of compliance, teamwork and integrity. Conducting our business with high ethical standards and fostering an environment of mutual respect for all employees is imperative to our continued success.

Compliance

Totalitarion conducts all its activities in compliance with local and international laws and regulations. The management team at Totalitarion has very high expectations of all our people when it comes to compliance, and we strive to set corporate directives to comply with industry's best practices over and above the law wherever possible.

Social Responsibility

Totalitarion is more than a business; we are part of society. We look to contribute to developing opportunities that improve life in the communities where we are active. Promoting greater linkages with the community and driving greater levels of transparency locally and internationally are vital components. We believe that natural resource wealth should be an engine for economic growth that, when used prudently, contributes to sustainable development, nation-building and poverty alleviation.

OUR PRODUCTS

General Medical Equipment and Supplies

- Syringes, cannulas, and needles – all sizes and types; including kits
- Catheters – all sizes and types; including kits
- Coils, guidewire
- Guidewires, all types
- Medical tubing or hoses; including associated adaptors, connectors, caps, clamps, retainers, brackets, valves, washers, vents, stopcocks, or flow sensors; and peristaltic pumps
- Endoscopic devices including laryngoscopes, laparoscopes, anascopes, proctoscopes, arthroscopes, sinusscopes, dematoscopes, ophthalmoscopes, sigmoidoscopes, otoscopes, retinoscopes, or colposcopes
- Blood pressure monitors, gauges, cuffs, aneroids and infusors
- Monitor for glucose management
- Medical defibrillators
- Medical lavage systems
- IV sets, bags and armboards
- Medical penlights
- Stethoscopes
- Speculums
- Medical scissors
- Forceps
- Single-use medical procedure trays and kits
- Medical diagnostic kits, point-of-care; including EAR99 reagents
- Reflex hammers
- Blood lancets
- Ear plugs and muffs
- Otology sponges
- Ear syringes
- Ear wax removers
- Clinical swabs, applicators, specimen collectors, sponges, pads, tongue depressors, wooden spoons, cotton balls and cotton rolls
- Splints

TOTALITARION

HEALTHCARE

- Antiseptic wipes for human use including alcohol, antimicrobial, benzalkonium, betadine, iodine, and witch hazel
- Canes, crutches, walkers, rollators
- Patient wheelchairs, chairs, gurneys, stretchers, mats, and cots
- Patient transfer chairs, lifts, benches, boards, slides, discs, slings and sheets
- Safety poles, rails, handles, benches, grab bars, commode aids and shower aids
- Patient vital-sign monitoring devices
- Limb prosthesis devices
- Orthopedic supports, braces, wraps, shoes, boots and pads
- Medical casts, padding; and casting and removal equipment
- Orthopedic traction devices and tables
- Human body positioners - pads, wedges, cradles, pillows, rests, straps, supports and holders
- Human specimen - urine, blood, tissue collectors and containers
- Medical bandages, gauze, dressings, tape, swabs, sponges, and burn dressings
- Surgical sutures and staples and removal kits
- Tourniquets
- Thermometers for measuring human body temperature
- Clinical basins, bowls, baths, pans, urinals, bags, buckets and holding devices for such items
- Medical carafes, cups, containers and tumblers
- Medicine cups
- Syringe aspirators
- Medical prepacked bags for medical supplies and equipment
- Medical labels, labellers, stickers, forms, charts, signage, tags, cards, tape, wrist bands, documents, brochures, and graphics
- Non-electronic patient medical record file systems and organizers
- Beds: hospital beds, cribs, or bassinets; including mattresses, overlays, pillows, and bumpers
- Medical linens - blankets, sheets, pillow cases, towels, washcloths, drapes, covers
- Chairs: exam, treatment, surgical, dental, phlebotomy
- Stools: designed for clinical use
- Stands: IV, instrument, solution and hamper
- Carts: medical, medical utility, medical supply, food service, hospital laundry carts
- Tables: operating, exam, therapy, overbed, treatment, medical utility and instruments
- Jars and containers designed for medical supplies and instruments

TOTALITARION

HEALTHCARE

- Privacy screens and curtains
- Cabinets: medical supply or pharmaceutical
- Floor mats: safety, anti-fatigue and special-purpose medical floor mats
- Hydrocollator heating units
- Warmers: bottle, gel, lotion and blanket
- Patient heating and cooling devices: pads, packs, bottles, bags, warmers, blankets, patches, lamps.
- Paraffin baths, restraints, cuffs, straps, protectors
- Lights and lamps: surgical, medical examination, magnifying
- Scales, stadiometers, rulers, sticks, tapes, protractors, volumeters, gauges, or calipers.
- Patient safety devices including vests, aprons, finger mitts, limb or body holders, jackets, belts,
- Human body cadaver bags and shrouds
- Adhesive designed for human use
- Adhesive remover designed for human use
- Telemetry pouches designed for human use
- Capnograph
- CPAP (continuous positive airway pressure) systems and all components
- Medical Flowmeters, oxygen & air
- Humidifiers
- Manikin, medical training, CPR
- Medical Pumps
- Ventilator, adult and tubing and accessories
- Oxygen apparatus
- Pulse oximeter
- Refrigerator, compartmental for morgues
- Spirometer
- Tents, pediatric, aerosol, & mist

Gynecology & Urology

- Bladder scanners
- Pouches, urostomy
- Bladder control pads, briefs, liners, underwear, pants and diapers
- Feminine hygiene products
- Fecal/stool management devices, kits, and catheters

Anaesthesiology

- Air bags and tidal volume bags
- Air bellows
- Anaesthesia circuits
- Anaesthesia machines, vaporizers, nebulizers, and inhalers
- Anaesthesia masks (including laryngeal)
- Anti-siphon equipment
- Block and epidural trays packaged for individual use
- Endotrach tubes
- Head straps and harnesses
- Hyperinflation systems
- In-line filters and cartridges, thermometers, CO2 detectors, soda lime canisters, temperature and moisture exchangers
- Intubation sets, probes and related equipment
- Anaesthesiometers
- Oral airways
- Peripheral nerve stimulators
- Anaesthesia pressure tubes and controllers
- Cardiopulmonary resuscitation (CPR) training manikins and lung bags
- Vibration dampening mounts

Apparel

- Medical gowns, scrubs, aprons, uniforms, lab coats, and coveralls
- Patient clothing including gowns, slippers, underpads and undergarments
- Head and beard covers and nets
- Medical shoe and boot covers
- Surgical sleeve protectors
- Ventilated Safety eyeshields and goggles
- Disposable latex, nitrile, polyethylene, vinyl gloves/finger cots or other medical gloves
- Surgical face or dust masks, masks with respirators

Otology and Neurotology

- Hearing Aids, accessories and components

TOTALITARION

Cardiology

- Electrocardiography machines
- Ablation devices and accessories, radio frequency
- Balloon (extractor, retrieval)
- Cardiac pacemaker
- Cardiac programmer
- Cardiac monitors, implantable or external
- Cardiopulmonary oxygenation systems, devices, and monitors
- Coagulation machines
- Heart positioners, surgical revascularization
- Heart valves , surgical, transcatheter (non-surgical)
- Inflation devices, interventional
- Filters, arterial
- Grafts, peripheral bypass

Dental equipment and supplies

- Bone graft matrix
- Dentures, crowns, molds, orthodontics
- Dental instruments – all types and sizes
- Dental instrument cases, trays, mats, tray liners, racks, covers, wraps, stands, holders, stringers and protectors
- Dental and oral implants and devices
- Tooth and denture brushes
- Denture and temporary oral device containers
- Yankauers
- Enema sets
- Extracorporeal Lithotripter

Nephrology

- Hemodialysis machines; and dialysis filters designed for such machines
- Hemodialysis connection or tubing kits

TOTALITARION

HEALTHCARE

Laboratory

- Autoclaves for medical instrument sterilization and accessories
- Flow cytometry accessories, reagents and components
- Laboratory balances and scales
- Patient blood gas analyzers
- Medical specimen centrifuges
- Automated clinical chemistry analyzers for patient care
- Coagulation analyzers
- Co-oximeters for haemoglobin analysis
- Medical bone densitometers
- Medical differential counters
- Bench-top dry bath incubators
- Electrolyte analyzers
- Hematology analyzers
- Histology and cytology strainers and tissue baths
- Laboratory hot plates with less than 1.0 sq. ft. heating surface
- Clinical immunoassay analyzers
- Luminometers
- Laboratory pH meter
- Automated blood culture systems
- Microplate readers/washers
- Light microscopes
- Osmometers
- Pipettes
- Medical refrigerators and freezers
- Spectrophotometers, photometers, and colorimeters designed for clinical use
- Urinalysis analyzers
- Clinical laboratory water baths

Neurology

- Electroencephalography machines
- Neurostimulator, implantable

Physical and Occupational Therapy

- Bath cubes, therapy
- Boots, mitts, and liners for therapeutic pain relief
- Orthopedic shoes, boots
- Parallel bars
- Exercise bars
- Hand bars
- Mat Platforms
- Exercise table
- Medical Whirlpools
- Mobility platforms, parallel bars, ladders, stairs
- Balance pads, platforms, and beams
- Cognitive measuring devices and equipment
- Manipulation boards
- Dining aids
- Hydraulic dynamometer
- Scoliometer
- Goniometers
- Pedometers
- Ergometers
- Rulonmeters
- Fine motor assessment equipment designed for human use
- Tactile sensation, sensitization, and desensitization equipment
- Rehabilitation exercise, weights, band, balls, boards, and mobility equipment
- Therapeutic putty
- Aquatic floats and training devices
- Protective headgear
- Electrotherapy, muscle stimulators and tens units
- Ultrasound stimulators
- Massaging equipment

TOTALITARION

HEALTHCARE

Obstetrics and Maternity Care

- Umbilical cord clamps
- Neonatal equipment - phototherapy, nasal CPAP and all components
- Incubator - Isolette
- Ventilator, infant/pediatric and tubing and accessories
- Infant Radiant Warmer and parts and accessories

Ophthalmology and Optometry

- Contact Lenses, corrective
- Contact Lens cleaning solutions
- Glasses, corrective
- Eyecharts
- Phoropter
- Tonometer

Radiology

- Computed Tomography Scanners (CT, MDCT)
- Positron Emission Tomography (PET)
- Scintillation Camera/Anger camera for medical imaging
- Magnetic Resonance Imaging (MRI) machines
- X-ray machines
- Medical ultrasound machines

Sterilization

- Aseptic, germicidal, disinfectant wipes and clothes for medical equipment, devices or furniture
- Ready-to-use disinfectants, Aseptic, germicidal, or medical-grade soap, detergent
- Hand sanitizer, lotion, soap, scrub, wash, gel, or foam; including dispensing devices
- Medical cleaning brushes for equipment, patients, and furniture
- Sterilization or disinfection indicator strips, tape and test packs
- Medical instrument sterilization pouches, mats, protector guards, and tubing
- Sterilization containers cases
- Autoclaves with chamber; including trays, containers, cassettes, cases and filters for such systems.

TOTALITARION

HEALTHCARE

Surgery

- Cervical fusion kit
- Image- guiding surgery products, ear, nose and throat
- Orthopedic plates/screws, fixators, implants, cement
- Surgical shunts
- Tissue Stabilizer, surgical revascularization
- Surgical clips
- Surgical instruments – all types and sizes
- Surgical instrument cases, trays, mats or tray liners, racks, covers, wraps, stands, holders, stringers, or protectors
- Stents – all types and sizes
- Surgical linens, drapes, or covers
- Chest drains
- Surgical case carts
- Blood transfusion equipment
- Surgical mesh
- Wound drainage equipment
- Stockinettes
- Surgical clean-up kits
- Surgical smoke evacuators and specialized supporting equipment
- Electrosurgery devices and supporting equipment
- Lubricant specially-formulated for surgical equipment
