PRIVATE EVENT

Crystal Springs is a public/private garden. While your reservation entitles you to use a particular site, other people may also be present in the garden. In the past, people have been courteous and respectful when an event is occurring. "Reserved Area" signs are placed on paths approaching your site to guide non-event guests away from the reserved area. Your guests will be greeted by a staff member at the Gatehouse and given directions to your event. You may (and we encourage you to) place your own unique signs along the way guiding your guests. We also put your first names on a chalkboard sign, up at the gatehouse, welcoming your guests.

RENTAL TIME

Please arrive and depart by your scheduled time. 10 hours is the max per event. Your rental time includes both the set up and the clean up of the site. The time we can rent out the garden is between the hours of 10:00 am – 10:00 pm. You pick the time for your event rental between those hours. We are prohibited from having events past 10:00 pm. If you choose to have your event rental time from 12:00 pm – 10:00 pm, we have a hard out time of 10:00 pm. We cannot add time to your event "day of". We cannot store items before or after your wedding reservation date/time. You can also do a rehearsal a day or two leading up to your event. There is no additional charge. We will not be on hand for your rehearsal.

EVENT COORDINATOR

I will be there for the beginning of your event, to make sure everything is up and running. There will be one or two Event Staff on site for the duration of your event. Please provide us with a contact person and we will make introductions the day of the event. We highly recommend either hiring a professional wedding coordinator from our Preferred Vendor List or ask the caterer for full service event coordinating.

MUSIC

Music is “a must” for most events. Please do not exceed a level of 70 decibels. Strobe lights are not permitted. Dance floors can be rented through your rental company. Most renters do not rent dance floors. No noise after 10:00 PM. City Ordinance. Your DJ and vendors, who need electricity, will have to bring extension cords. We have (2) 20 amp circuits with 4 outlets on each. Please consider using a DJ from our Vendor List. There is no electricity at the Woodland site. Please face the speakers towards the water.

DRESSING ROOM

For groups using The Meadow, dressing space is provided for both women and men in the Exhibit Hall. Also a small room that houses our chairs can be used for last minute touch ups at the Gatehouse building for those using The Woodland Gardens.

GOOSE DROPPINGS

We take this very seriously! We do a “rake of the lawn” one hour prior to your event. The raking is done for about 60 minutes. If this is a big concern of yours, please let us know. We will do everything we can to get it all up.

PARKING

The garden has a small parking lot up at the ticket booth. There may be additional parking at Reed College's Performing Arts Building. Check the Reed Auditorium’s calendar to make sure there is no conflict with your event. You may consider using a shuttle service. There is also a lot at 28th and Steele.

SECURITY

Just like any public parking lot, there are risks. Please follow your instincts. Security personnel can be hired.

ALCOHOL

Champagne, wine and beer only. They can be served in bottles or kegs by a licensed OLCC server. We have a special liability insurance form that needs to be filled out and signed.

SMOKING

No smoking in the garden.

RESTROOMS

There are restrooms adjacent to The Meadow. They were renovated in 2010. It is a 5-minute walk to these restrooms from The Woodland. You may want to add a soap dispenser to each of the (3) bathrooms. Keep in mind that the park is open to the public and the bathrooms are shared. We also have a very clean portable restroom in the parking lot.

PATHWAY LIGHTING

There is no lighting on the garden paths or in any of the event sites. If your group will be in the garden after 9:00, please place luminaries in the paths up to the exit. You may want to illuminate your event area too. We can give you some great ideas. No candles, just LED lights please.

GUESTS

Please stay on pathways and lawn. The garden is for all to enjoy for days and years to come. Help us protect the flowers and trees by not picking or climbing. Please, no ice on the lawns or in the garden. We will help you dispose of it properly. No SPARKLERS.

WHEELCHAIRS

Most of the garden is wheelchair accessible. The entrance pathway meets specification of the Americans with Disabilities Act. If guests are elderly or have special needs, please explore the garden to be sure that the site you select has adequate access for them. Two wheelchairs are available at the ticket booth on a first come first serve basis.
