

The Rhododendron Gardens' paths meander along flower bushes, lawns, waterfalls, and lagoons. We hope that you will take some time to explore! To reach our event, follow the route marked in green on the map below. The total distance is about five minutes or a quarter-mile from the entrance. When you enter, you will come down the switchback at your left, cross a bridge, and then make a right at the path crossing to The Woodland (look for our sign).
