— RECITAL —

21 derland

JUNE 15-17

Dear Dance Families, Friends, and Guests,

Welcome to our 21st annual recital! It is truly hard to believe that 21 years ago, all of my dreams for L.A. Dance began. What started as a dream has grown into a beautiful dance family filled with love, passion, dedication, and lifelong memories.

Over the years, I have been incredibly blessed to watch so many dancers grow from tiny little preschoolers into confident, talented young dancers and amazing individuals. Being part of each child's dance journey is something I never take for granted. Watching their growth both on and off the stage has been one of the greatest blessings of my life.

This season has been especially meaningful as we celebrate 21 wonderful years of dance, friendship, hard work, and community. I could never do this alone. I am endlessly grateful for our incredible staff whose passion, creativity, and love for these dancers make L.A. Dance such a special place. I am also so thankful for my family for always supporting me and standing beside me through this amazing journey.

To our dancers – I am beyond proud of each and every one of you. Your growth, determination, confidence, and love for dance shine brighter every season. The countless hours of rehearsals, classes, and hard work have all led to this moment, and I hope you know how special you truly are. To our families – thank you for trusting us with your children year after year. Your support means more than words can express.

As we step into “21derland” together, I cannot wait to see what the future holds for L.A. Dance. Thank you for being part of our story and helping make these past 21 years so magical.

Enjoy the show!
WITH LOVE AND GRATITUDE,

Lara Wood
