

VestaBella Product Warranty Information

WARRANTY - VestaBella Anchor WPC and AcoustiCore by VestaBella SPC Vinyl

This warranty is extended to the original purchaser ONLY and is not transferable. It is the responsibility of the installer and/or home owner to inspect planks prior to installations. Planks that are defective or visually not acceptable, should be discarded or possibly used in another location of the room. **Drexler Hardwood accepts no responsibility for costs of product or labor when planks with visible defects or irregularities have been installed.**

IMPORTANT: VestaBella's installation and maintenance guidelines MUST be followed as a condition for this for this warranty. Any floor installed outside of printed installation and maintenance parameters is subject to denial of the claim. Detailed installation instructions are included with each carton of Anchor WPC and AcoustiCore SPC flooring or online, along with maintenance guidelines at www.drexlerhardwood.com

RESIDENTIAL AND LIGHT COMMERCIAL WARRANTY

This warranty applies to Drexler Hardwood's Vestabella Anchor series, WPC (Wood Polymer Composite) flooring, as well as the AcoustiCore series, SPC (Stone Polymer Composite) flooring, that is purchased from an authorized dealer and installed in a residential or light commercial area. Drexler Hardwood warrants that the VestaBella flooring sold under this warranty is, at the time of sale, free from defects in material and manufacturing and that it conforms to the standard specifications for the product category. Drexler Hardwood further warrants that when installed and maintained according to product specifications and when used according to its intended purpose, the flooring will not wear through, delaminate, separate, buckle, or cup as a result of a manufacturing defect.

If your VestaBella flooring fails for any of the above reasons, Drexler Hardwood will replace, at its option, a portion or all the flooring at no cost to the original purchaser so long as the original purchaser still owns the property where the floor was installed. The warranty includes replacement material only and excludes any labor costs. The VestaBella warranty is only extended to flooring maintained in normal environmental conditions, meaning that the heating and ventilating systems are working to maintain an interior humidity level between 30% to 50% and a room temperature between 65 °F to 85 °F year-round.

WARRANTY PERIOD

The VestaBella Anchor series and the AcoustiCore series are warranted to be free from manufacturing defects for 35 years from the date of purchase in a residential application and for 10 years in a light commercial application.

WARRANTY EXCLUSIONS & LIMITATIONS

- Failure to maintain the environment at a humidity range of 30% to 50% year round and room temperature of 65°F to 85°F.
- Color variations in flooring are a natural occurrence due to age and exposure to UV light or sunlight. For these reasons, new and/or replacement flooring may no match display samples and/or existing flooring.
- Improper installation/maintenance and failure to adhere to VestaBella installation/maintenance instructions.
- It is the responsibility of the installer and or/ the homeowner to inspect planks prior to installation. Drexler Hardwood accepts no responsibility for costs of product or labor when planks with visible defects have been installed.
- Indentations or scratches caused by furniture, appliances, pet claws, high heel shoes, spiked or damaged heels, cleats, sports shoes, pivot points (i.e. seating areas), wheel chairs, walkers, sand, pebbles, or other abrasive materials.
- Installation over radiant floor heating with a surface temperature in excess of 85°F.
- Abuse, neglect, abnormal use or misuse, application of solvents, corrosives, or other chemicals, etc. improper cleaning or maintenance products.
- Damage due to moisture intrusion from subfloor, but not limited to damage from broken or leaking plumbing or appliance, wet mopping, weather conditions, or natural disasters.
- Flooring installed over improperly prepared or unstable subfloor.
- Damage caused by extended exposure to direct sunlight.
- Discoloration from rugs or floor mats (use only mats from non-staining backing).
- Damage caused by vacuum with a beater bar (rotating bristle brush)
- Squeaking, popping, crackling, and other noises are not covered by our warranty. Occasional noise is normal and can be expected from WPC and SPC vinyl flooring. This is not considered a manufacturing defect.
- Flooring installations that run underneath cabinets, counters and/or hearths.

If you feel you have a warranty claim, first contact your original flooring dealer and explain your concerns. Often, a flooring dealer can provide a simple solution to correct the situation.
