

November 1, 2023

Dear Parents and Students;

Now that it is November cooler weather is inevitable which means the studio will be chilly. Please remember that students are NOT allowed to wear sweatshirts or “baggy” clothing over their leotards unless it is posted otherwise. Baggy clothing is defined by anything greater than 1 inch from the body. However, they are allowed to wear a snug turtleneck under their leotard, dance sweaters, and/or leg warmers. I am also asking that students please wear their hair back out of their faces with a minimum of a barrette to pull the top back if they have hair long enough. Your corporation with these is greatly appreciated.

Spring recital dates will be May 30th for Dress rehearsal and June 1st for recital. It will be held at the Greenville High school.

The Students of the Month for November are Gracelyn Thomas and Karmyn Freeman. Congratulations girls! See their biographies and pictures on the bulletin board in the lobby and on the web site.

Please remember that there will be no classes November 22-25 for the Thanksgiving holiday. (Monday and Tuesday will still have classes.) Also remember that if Greenville Public Schools are closed due to bad weather, to check your email, our Facebook page and on Wood TV (Ch 8 or 4) closings to see if we are listed too.

The pictures for the Halloween parties will be posted soon on our website. If you have a great picture of the parties and would like to share it, send it to me via email so I can post it. If you would like a copy of the pictures I took, please email me so I can send them to you. If you haven't been receiving emails from the studio, please take a moment to email me with your address so I can add you to the update list. You will then receive faster updated information and special tips about dance class. You can also join our Facebook parent page by searching MissDee Luxford. You can then be added to the individual class chats. This is where I post rehearsal videos for each class.

Because we are trying to avoid conflicts with the school programs and the way the calendar falls this year we are moving the Holiday programs to the December 15th and 16th. Please see the opposite side for the schedule. Performances take approximately 30 minutes.
