Opening Number Rehearsals

We have now been working on our studio wide combined opening number for recital for some time and everyone is doing a great job. Now we need to rehearse together as a group to work on formations and transitions. We will be having these rehearsal at the studio. See the following schedule as to what times your class will need to be at the dance studio on those days. I understand that this is a busy time of year, however for this dance to be a success **Everyone MUST attend** that is in the dance, so please plan accordingly. There is no additional fee for these lessons.
