27	PlanRadar	PlanRadar	S3066	https://www.planradar.com/	PlanRadar's 360° reality capture feature, SiteView, takes on-site documentation to the next level. With SiteView a simple site walk with a camera mounted on a helmet delivers full 360° imagery. These images are seamlessly mapped on your 2D plans, following the exact path walked on-site, offering a detailed, visual record of the build.	https://www.planradar.com/productlist/	39	StopLossBags	Sampler by StopLossBags	S9194	www.stoplossbags.com	Sampler by StopLossBags revolutionizes how builders and professional painters leave touch-up paint. Instead of rusting, half-full containers, simply circulate spray equipment into this innovative pouch when done. Cap it, and the paint remains perfectly shelf-stable for over a decade. It's the perfect customer gift: a perfect paint match in a perfectly sized pouch.	https://stoplossbags.com/productlist/
28	CrewCam	CrewCam	S6034	https://www.crewcamapp.com/	ChatGPT said: CrewCam is a jobsite photo app built for contractors. It automatically organizes and timestamps crew photos, so progress, proof, and accountability are always documented. With CrewCam, teams can quickly capture, share, and verify work without the hassle of texting photos or sorting through messy galleries.	www.crewcamapp.com	40	PlasmaMade	Ductless Filtration	S14141	https://jakappliancegroup.com/	The PlasmaMade E-Filter is a recirculating filter for kitchen range hoods that eliminates the need to vent a range hood or downdraft outside and lasts for 15 years without replacement.	plasmamadeusa.com
29	BuildersVA	BuildersVA	S3089	https://www.buildersva.com/	BuildersVA provides trained Virtual Assistants specialized in the construction and building industry. We help builders streamline admin, scheduling, estimating support, customer communication, and operations so they can scale without burnout. Our team integrates into existing systems, reduces overhead costs, and frees business owners to focus on growth—not paperwork.	https://www.buildersva.com	41	CF + D custom fireplace design	Custom Fireplace Designs	S13023	www.customfireplacedesign.com		
30	Figure Lending	HomeFlex HELOC	S8079	figure.com	The figure HomeFlex HELOC is the first fully digital Fintech solution for home equity borrowing. It provides homeowners the ability to utilize home equity for purchasing and installing any home improvement product at unusually low interest rates with very affordable, long-term monthly payments.	figure.com	42	Copper Mountain Hardware	Magnifique Blue Tiger Eye Knobs	S11122	www.coppermountainhardware.com	In essence, using genuine semi-precious rock instead of forged metal is both an environmental and an artistic statement. It replaces the industrial with the organic, the disposable with the enduring. Each piece reduces industrial emissions, supports artisanal craftsmanship, and elevates the simplest gesture — opening a door — into an encounter with the earth itself.	https://coppermountainhardware.com/sections/magnifique/products/magnifique-blue-tiger-eye-knob-2-classic-door-set-with-blue-tiger-eye-knob-2-spread-finishes-available
31	Copperweld	Copperweld Copper-Clad Aluminum NM-B Cable	S11122	https://www.copperweld.com/	Copperweld 10 ampere 14 AWG Copper-Clad Aluminum dedicated lighting circuit conductor for residential use.	https://www.copperweld.com/products/building-wire/products/nmb/	43	Weatherstrong Outdoor Cabinetry	WeatherStrong Outdoor Kitchens	S18037	www.weatherstrong.com	WeatherStrong Outdoor Cabinetry introduces complete outdoor kitchen islands featuring durable WeatherTop countertop modules and premium Jupiter outdoor appliances. Orders ship in 2 business days to help builders and remodelers complete outdoor kitchen projects faster, more efficiently, and more profitably.	www.weatherstrong.com
32	Retrotec	AirTracer Smoke Generator	S9199	www.retrotec.com	Introducing the AirTracer from Retrotec: a handheld smoke generator/roger designed for pinpointing air leaks in buildings. Priced affordably, the AirTracer is an ideal choice for professionals looking for a dependable building diagnostic tool. With a simple press of a button, the AirTracer releases smoke in a second, allowing for easy leak identification when used alongside a blower door or duct tester. The device efficiently	https://retrotec.com/airtracer-smoke-generator.html	44	CodeComply.AI	CodeComply.AI	S9031	www.codecomply.ai	CodeComply.AI is an AI-powered plan review and code compliance platform that automates routine building code checks for architects, engineers, and authorities having jurisdiction. By identifying compliance issues early and generating clear, traceable reports, CodeComply accelerates permitting, improves accuracy, and supports safer, more efficient building delivery.	www.codecomply.ai
33	Ressio Software	Ressio Software	S8023	https://www.ressiosoftware.com/	Ressio is modern construction management software engineered for home builders and remodelers. By combining AI automation, seamless accounting integration, and an intuitive interface, Ressio helps builders save 3-5 hours weekly on admin tasks, improve project profitability, and deliver exceptional client communication—all at a fraction of legacy software costs.	https://www.ressiothere.com/	45	Blue Grouse Wine Cellars	V Bar (Glow) Wine Display System	S13030	www.bluegrousewinecellars.com	Assemble a high-end, floor-to-ceiling mounted wine display in minutes with the patent-pending V Bar system. The channel design allows all pieces to slide in place with no measuring and no fasteners required. Integrated LED lighting is an attractive add-on.	https://bluegrousewinecellars.com/bars/v-bar-mounting-system
34	Yazaki Innovations	Prefab Wire Harnesses	S9077	www.yii-tech			46	Axiom Surface Protection	Armour Vert-Protect	S6128	www.axiomtse.com	Armour Vert-Protect delivers reliable vertical surface protection, offering high durability and flexibility to safeguard structures against heavy impacts in demanding construction environments. Single-faced high-density 5mm thick plastic sheet with a honeycomb core flexible design easily conforms to edges, columns, and curved objects. Durable construction provides strong impact resistance and can be reused across multiple projects.	https://axiomtse.com/product/armour-vert-protect/
35	Letright Industrial	Ombra Smart Pergola	S5163	https://www.ombrapergola.com/en/index.html	Ombra Smart Pergola merges futuristic design with nature, boasting built-in AC, smart control system and high-efficiency solar panel for year-round comfort. Ombra features a smart lighting system. Inspired by ancient Greek architecture, it offers expansive views through a seamless blend of metal and glass.	https://www.ombrapergola.com/en/index.html	47	Amrax	Metaroom 3D scan	S1292	www.amrax.ai		
36	Dog-ON-It-Parks	Dog Park Log Run	S6198	www.dogonitparks.com	Our newest addition to NatureDog, our lifelike looking set of two stump jumps and a split log balance beam provides dogs with simple play opportunities that accentuate the natural environment. Along with our other 10+ nature-inspired components, this will turn any dog park visit into an adventure.	https://www.dog-on-it-parks.com/blog/ask-our-expert-equipment-in-nature-dog-park.html	48	UpCodes	UpCodes CoPilot Intelligence	S5134	up.codes	CoPilot Intelligence, the first project-aware AI designed specifically for the architecture, engineering, and construction (AEC) industry. For decades, navigating building codes has been one of the most time-consuming and risk-prone aspects of construction projects, contributing to costly re-work, delays and safety risks for architects, engineers, and contractors who are building our homes and schools. CoPilot Intelligence represents a step	https://up.codes/features/ai
37	Soake Pools	Precast Plunge Pool	S4166	soakepools.com	An elevated take on our signature 7x13 model, the Pool with a View is designed for properties that deserve to be savored. With a long, full-length bench that faces outward, this configuration invites you to slow down, soak in, and take in your surroundings, whether that's a mountain skyline, lakeside horizon, or your own backyard sanctuary.		49	Rada Kitchens	Rada WoodCraft 3d timber doors	S16059	www.rada-kitchens.com	We specialize in mid and high rise kitchens by providing European product that meets all North American budgets. We manufacture in house and are excited to launch a very new look not been seen before in the kitchen market.	
38	Basecore	Geocell Ground Stabilization	S3145	www.basecore.co	BaseCore™ is a modular ground stabilization system of interlocking HDPE panels that create a strong, permeable foundation for arenas, driveways, and paddocks. It stops mud and rutting, improves drainage, reduces gravel needs by up to 60%, and installs fast with basic tools—delivering lasting, low-maintenance footing.	https://www.basecore.co/basecore-geocell-hd/	50	Prophetic	Prophetic	S7059	propheticsoftware.ai	Prophetic is an AI-native land acquisition platform that helps homebuilders and developers find more off-market deals, decide faster with instant site intelligence and constraint analysis, and win more by reaching owners first. One platform replaces fragmented tools and eliminates the manual research slowing you down.	propheticsoftware.ai

Outdoor Exhibitors

51	Evozome	Diamond Zome	P1325	https://evozome.com	Diamond Zome is EVOZOME's flagship luxury structure, featuring floor-to-ceiling glass panels set within sacred geometry frameworks. This stunning architectural statement transforms any landscape into an extraordinary destination, ideal for ultra-luxury resorts, wellness retreats, and signature hospitality experiences where guests seek immersive connection with nature's beauty.	https://evozome.com/product/diamond/
52	Westlake Royal Building Products	DaVinci® Roofscapes Composite Shake	P1905	https://www.westlakeroyalbuildingproducts.com/	DaVinci Shake delivers the authentic appearance of hand-split shake without the maintenance. The tiles are backed by Class A fire and Class 4 impact ratings, plus Miami-Dade and WUI approvals. They resist splitting, mold and algae, and now come in two new colors—Timber Black and Blonde Cedar.	https://www.davinciroofscapes.com/products/shake/select-shake/
53	Bosch	Bosch Climate 5000 Ductless Mini-Splits	P1512	https://www.bosch-homecomfort.us	The Bosch Climate 5000 Ductless heat pump system provides simple installation, maintenance, and cleaning. Shorter service times and high-quality mean minimizing money spent while maximizing comfort and peace-of-mind. The system is ENERGY STAR rated, providing high-efficiency at sound levels as low as 23 dBA.	https://www.bosch-homecomfort.com/us/en/ocs/residential/climate-5000-ductless-system-mini-split-heat-pump-r-454b-version-21154514-p/
