

## Parkside Partners

### **2061 Peachtree Road – Georgia Hand, Shoulder & Elbow**

A 110,000 sq. ft. medical office development on 1.5-acre site located in the heart of the Piedmont Hospital corridor and on the Atlanta Beltline.

Collected traffic data and conducted traffic impact study consisting of trip generation, Synchro capacity analysis and queue analysis. Assisted development with GDOT permitting for roadway modifications and traffic signal upgrades. Also, helped with the City of Atlanta street lighting installation and sidewalk construction - 2011
